T'S THE SILVER STREAK that makes Pontiac the most beautiful thing on wheels. No other car has it. And Pontiac's wonderful confort and handling ease come from a very special combination of a 117 wheelbase, six-passenger, Unisteel Body by Fisher; Knee-Action; center-point steering; and sale, sure, evelve-action, triple-sealed hydraulic brakes. What's more, as Mrs. Berg drives her car over the years she will discover that Pontiac is a money-awing marvel and a record-breaker for dependability.

That is all you could expect from any car—yet Pontiac gives you all these priceless advantages at a cost so near the lowest that you may be considered the production of the most lower for the production of the strength of the production of the cost lower of the policy size.
