NON-PARTISAN STATE NEWS LETTER

LANSING, Nov. 4.—Hopes of Michigan C. I. O. leaders for a political alliance with the Democrats...

In fact, with results of the Detroit election, this week confronting them, labor chiefs of the C. I. O. realize that their first task is to repair their own fences...

Further, the Grange leader deplored the lack of labor relations act in Michigan...

Again hitting hard, Bramble declared that the figures of the United States should indicate an English labor policy...

As for the federal administration, he urged that the rates, in any other state...

All in all, the farm organization meeting of both parties for a long time—mainly, the Michigan farm...

The opposition of the farm group to higher commodity prices...

Stated the agricultural commissioner...

Failure of dairy products and livestock prices to advance along with production costs were important factors...

The higher profit for 1936 is of particular interest in view of the statement by the agriculture department...

Governor Frank Murphy, back home after taking treatment at White Sulphur Springs...

The governor has indicated that he wants a labor relations act in Michigan...

A firm opponent to the principle of non-injection of money in legislative lobbying for the Michigan Oil Producers...

Political observers point out that a 26,000 Democratic majority in Flint last November became a 5,000 Republican majority...

Like the Detroit municipal election this week, a special election in Genesee county for selection of a municipal successor easily became a test of public opinion on the rights and responsibilities of organized labor...

Accountants Seidman and Seidman declared that the furniture industry has been slipping in 1937. In fact, the last three months show decreases in comparison with corresponding months in 1936...

But it isn't quite so bad as it sounds. While new orders have declined from a 50 per cent higher margin for the first quarter to 18 per cent for the second quarter...

struction, labor unrest, and general business uncertainty—all negatively influenced...

Michigan automobile manufacturers at Ingham, Henry Ford and Alfred Sloan...

Following the elections, plans were discussed for the coming season. These consist, for the moment, of work for the Christmas of the children of needy families...

Today, it is the largest producer of gasoline, rubber, steel, malleable iron, mohair, lubricating kerosene, plate glass and nickel and lead...

In taxes alone, the automobile and motor truck made possible an income of one and a half billion dollars each year...

According to automobile dealers, Detroit work directly because of the recovery of the motor industry...

Early buyers of automobiles may regret "under the wire," so to speak...

Michigan's mounting automobile death toll—already a matter of public concern—has apparently given a surprise interpretation in Detroit by Lieut. Franklin M. Krenl...

The number of Detroit accidents in 1937 within the last year were down, he said, from 1936...

She: "In time of trial, what do you suppose bring most comfort to a man?"

He: "A verdict of 'Not Guilty' should inaugurate."
