

BITS OF BIRMINGHAM

By A MAN ABOUT TOWN

As vacation time draws to a close, we have heard many remarks about the summer recreational program which is in operation during the summer months...

Miss Edith Roach, supervisor of social music in Birmingham schools, has just returned from New York City, where she has been continuing her work in music at Columbia University...

Matthew Cammame, proprietor of Matthews Tailor Shop, is remodeling and redecorating his store. It will be an impressive place when all the work is completed...

Charles J. Shain, proprietor of Shain's Drug Store, is another local business man who is bent on improving his store...

Regular shows of the Birmingham Theatre, beginning next Sunday, September 5, for a four day run.
