FIELD OFFICE TAKES OVER

(Continued from Page One) the county in which the appli

in the county in which the appli-cant resides.

The Birmingham Post Office along with postmasters in all other towns throughout the counties served by the Pontiac Social. Se-curities office, will still supply ap-plication blanks to those who want them. They are also ready to an-swer any questions which might arise in the filling out of the blanks to those who want them. They are also ready to answer any

blanks to those who wart them. They are also rough to answer any questions which might arise in the filling out of the blanks. Concluding his statement, Mr. Byrne stated, "It is important that appose who has not received a so-tone, for his own benefit. Many employers will no longer hire these who do not have such a number. It should also be emphashed the entire lifetime of the person who holds it."
