

Program Breakfast To Conclude Season For International Relations Class

College Knowledge

By SOPHIE MORE

Don't say we-uns don't keep the home fires burning! The kids away at school needn't think they're the only ones who are busy with all sorts of fun and stuff, on account of just off-hand, Sophie can think of one PEACHY dance just over, another one coming up SOON and a bridge AND tea given Saturday, just to live up a chilly week-end.

Seniors Crash Through
Said doings were held at Kingswood school, and ALSO included a slew of old movies, shown on the school's new projector. The whole senior class acted as hostesses, and some of the committee members who sorta overawed the whole thing included such gals as Cynthia Adams, Virginia Smith, Mary Vanlanbroeck and Jean Menderson.

Up N'Coming Pair
It's very convenient that U. of M. kids are round and about this week, indulging in a spot of spring vacation, BECAUSE, two of our most shining representatives up there have been n'gone n'gotten into some of the topmost brackets afforded by the school, and we all want to be 'round to hear all about it. Ladies first, so we'll first spotlight of Elizabeth White, who's tops up there because of outstanding qualities of scholarship, leadership and services! She's just been elected to membership in Senior Society, vimmish honorary. T'other big shot at present is Henry Foley, the radium lad, (just a private quip because we think he's so bright he could see him in the dark!) WELL, he's just been awarded a University Scholarship in the Graduate School up

there. NOW aren't you proud of 'em?
Fraternity Offer
Next in line for a bit of a glad hand is Johnnie Church, sophomore flash at DePauw. He's a Sigma Nu rooster there (for which we don't blame him), and just to show their appreciation of our boy John, the lads ganged up and elected him to an office. He now bears the title of alumni contact officer—no end impressive, don't you think?

Success Story
'Way down here, where you never realize what BIG stuff it is, comes one of the ELEGANT little Sophie has ever passed on. It just shows to get that people who have stuff will always get there in the end, if not sooner. The item concerns a lad who was president of his class for FOUR years while in high school; chairman of Baldwin's Junior-Senior reception, and elected best all-around lad in his class, to mention a few things. Then he went up to Ann Arbor, and became a member of Phi Psi, and proceeded to be in ALL the worthwhile things.

He is Ralph DuBois, just not to keep you in suspense any longer. A FEW of his college achievements include being junior football manager and alternate senior ditto; member of Triangles, the junior engineering honorary; booth chairman of the J-Hop committee; secretary of Phi Psi and no end of others.
So NOW the Phi Psi's are going to reward this favorite son in a manner that is both fitting and proper. He's been awarded a foreign scholarship offered by the fraternity in conjunction with certain German universities! He'll

WHIP over to Germany and study engineering at the University of Munich!! Did you ever DREAM of anything so exciting? He leaves for Germany late in the summer, and will start school in November, so there'll be plenty of time for us to accord him and his stuff.

More of the Same
Here's another HIGHLY encouraging bit of news about home town talent. Douglas Strang Brown, if you please, son of the John M. Browns on Arlington drive, is the lad we mean. He's JUST passed the state exam and is now the youngest C. P. A. in Michigan! Can you feature being a Certified Public Accountant at the tender age of 22? 'Tis lad rilly has something there, and we're glad 't'is ye know all about it.
And as a very LAST bit of stuff, we introduce you to a muscle woman. She's an old pal of ours, but we'll bet you never knew she was an athlete, besides everything else. She's that Betty Spinning Clark, and one of her last tricks is to be invited to join Green Spinal at State. 'Tis a swimming club, composed of the best mermaids on campus, and VERY select.

Fashion Tips

Costume jewelry is getting away from imitations of the real thing. Most of the latest pieces frankly inexpensive, crystal balls in clusters and large clips are popular at the moment.

Prints are being influenced by the Persians. Colors in various circles and angles are beautiful beyond description.

Flowers, berries and even Snow White and the seven dwarfs are being used as designs for spring prints.

One navy dress with a white star design has a coat of navy wool. The dress is full in front but plain in the back.

Other dresses have appliqued flowers, some atmosphere, and is that of white organdy carnations made with loose petals scattered over a black crepe bodice.

'Alumnae Day' Will Be Observed As Mrs. Shain Ends 16th Consecutive Year

Mrs. V. W. Holland is general chairman of the day, with Mrs. Frank L. Main as assistant chairman. Assisting the subject will be "Little Known Middle Europe," based on his knowledge of the region gained during the years when he covered it for American newspapers.

The class, which has been running continuously for 16 years, as a voluntary institution under the general sponsorship of the American Association of University Women's Club and the League of Women Voters. It has followed a program similar to the Birmingham Women's Club and the League of Women Voters. It has followed a program similar to the Birmingham Women's Club and the League of Women Voters.

The Makings Of A Good Party Include Not Only Food, But Smooth Service

We should all entertain more often, plan it in the best manner in keeping with the circumstances. Here are some atmospheric, delicious food served simply, will be remembered after the menu has been forgotten.

Ham Souffle
Make a white sauce of 1 cup milk, 4 tablespoons flour and 3 tablespoons butter to which have been added 1/2 teaspoon salt, pepper and cayenne. Cool the sauce and add the beaten yolks of 3 eggs and a cup of ground cooked ham. Then fold in the beaten egg whites of 2 eggs. Pour into buttered baking dish. Bake in a pan of hot water in an oven of 325 degrees for one hour. Serve with mustard sauce.

Mustard Sauce
Brown 2 tablespoons of butter in 2 tablespoons of flour, stirring well. Add 1 cup of hot vegetable stock and cook until smooth. Season with 1/2 teaspoon salt, pepper, 1 teaspoon dry mustard and 2 tablespoons lemon juice and a few grains of sugar.
This dish with baked potatoes makes an excellent main course dish.

Spoon Bread
Mix together 1 cup corn meal, 1 teaspoon baking powder, 1 1/2 cups sugar and 1/2 teaspoon salt. Beat 2 eggs and to them add 2 cups milk and 2 tablespoons melted shortening. Combine with the dry ingredients and beat hard for several minutes.
The batter must be very thin, so it may be necessary to add a little boiling water. Pour into a greased pudding dish and bake in a moderate oven 45 to 60 minutes. Serve with a spoon from the dish in which it was baked, with butter and maple syrup.

Chicken Smothered in Asparagus
Cook a fowl very tender and divide in eight pieces suitable for serving, rejecting bones and skin. Roll in seasoned flour and brown lightly and quickly in a frying pan in hot dripping. Make rounds of toast, butter, place in a shallow serving dish, lay a piece of chicken on each round and surround with hot cooked asparagus, which has been cut in inch lengths. Pour over a very liberal amount of very hot white sauce to which a beaten egg yolk has been added just before taking from the fire, stir rapidly while doing this to prevent curdling. Garnish with points of toast, on each of which is laid a tiny cube of brightly colored jelly.

Steamed Carrots and Celery
3 tablespoons shortening
3 carrots
1 cup celery cut in pieces
1 small onion sliced
1/2 teaspoon salt, pepper
1/4 cup water
1/2 teaspoon sugar
Melt shortening, add onion and brown slightly. Wash carrots and slice carrots. Add celery, carrots, salt, pepper, water and sugar to the onion dripping. Cover tightly and steam until tender. All the water should be evaporated.

Strawberry Salad
1 banana
1/2 cup strawberries
1 lettuce—mayonnaise
Upon sliced lettuce place a banana slice lengthwise, arrange strawberries around this. Serve with mayonnaise.

Golden Parfait
Boil 1 cup sugar and 1/2 cup of water to soft ball stage. Pour slowly over the beaten yolks of 6 eggs. Cook in double boiler until the mixture thickens, stirring

FLOWERS FORM BACKGROUND AT HOME NUPTIALS

At a pretty home wedding Saturday forenoon, Catherine Maddux, daughter of Mrs. Ella Payne Maddux of Detroit, became the bride of Lloyd Denman Bevan, son of Mr. and Mrs. William Bevan of Ferndale, formerly of Birmingham. The Rev. Floyd E. Compton of Detroit read the nuptials at the home of the bride's brother-in-law and sister, Mr. and Mrs. Samuel Johnson of Tuck road, Detroit.

Candles and disposals of Easter lilies and roses formed the decorations. The wedding march was played by Mrs. Bevan, mother of the bridegroom, and Mrs. Patrick H. Pascal sang "I Love You, Truly."

The bride wore a street length gown of dusty pink, with a large picture hat and accessories of light blue. She carried gossamer, as did Mrs. Edmund Jagers (Quail), her sister, who acted as honor maid. Mrs. Quail was adorned in powder blue.
Edmund James Quail officiated as best man for Mr. Bevan. A reception for the 70 guests followed the wedding ceremony, after which the young couple left for a fortnight's trip to Miami. On their return they will make their home in Detroit.

Among the wedding guests were Mr. and Mrs. W. S. Maddux of Sturgis, together with Mrs. Bevan, the bride, Mrs. Walter Wilson, aunt of the bride, and Mr. and Mrs. Charles Sanderson, grandparents of the bridegroom.

Mr. and Mrs. Walter R. Kinney of Lakewood drive, announced Monday, Mrs. Bishop is the house guest of her former roommate in college, June Lynde, daughter of Mr. and Mrs. T. H. Lyons of Cleveland. She will return to Birmingham over the week-end.

Light is Cheap!

You can operate this 100-watt lamp 2 hours .47 minutes for 1 cent (at average residence rates)

a penny provides over 2 1/2 hours of good room-wide KITCHEN LIGHTING

WHAT a difference good lighting makes in the average kitchen! A bright, cheerful room is so much more desirable—it speeds work along so much faster and makes the surroundings so much pleasanter—that it is a wonder any woman will consent to be without it. Very few of them would be, if they realized how little it costs!

A 100-watt lamp in the ceiling fixture, for example, will provide good room-wide kitchen lighting—and you need not worry about leaving it on: The cost for two-and-a-half hours is less than a penny. A 60-watt lamp over the range is a great help, too—and one over the sink. Both of them together cost less than a penny for two hours' operation. A bright, attractive kitchen is NOT a luxury—you can enjoy it for the price of a postage stamp! Why put any longer with a drab, dreary room? Remember that LIGHT is one of the cheapest things you buy... use it for a cheerier, more inviting kitchen.

"MOTHER IS ALL BETTER, THANK YOU"

It is generally conceded that America leads the world in the quality and extent of telephone service.

Important factors in this supremacy are the efforts of the Bell Telephone Laboratories "to find a better thing or a better way," and the experience and skill of the Western Electric Company, the manufacturing department of the Bell System.

Because of our association in the Bell System, every improvement so produced is made available promptly for us in Michigan... a continuing assurance of high-quality telephone service at reasonable cost. That is why Michigan's telephone service is as fine as any telephone service in the world.

And that is why your telephone... although it can connect you with any of 35,000,000 other telephones all over the civilized globe... retains such simplicity that even a child finds it easy to use.
