Prospects Bright For Golf This Year According To Early Line-up By Captain

By Wylie Pearall
Despite the weather, golf at Baldwin is on the up-grade. Interest in the sport has reached a new high at Baldwin, with more boys out than in any two preceding years. Judging from this, the chances of a good team are exceedingly bright.
Captain Bill Price will have four boys, not including himself, with previous experience in match and medal play, to choose from in selecting the four for the team. Topping them will be Warner Raynor, a letterman and former caddy champion at Franklin High with Warner at the number one position, we have a man who will be very difficult for anyone to beat.
Captain Price, who has learned his golf as a caddy at Oxford Hills, will be in the middle holding down the number two spot. Bill is at his best when the ball is very difficult for anyone to beat.
Third and fourth places will be

BALDWIN LOSES TO ANN ARBOR IN TRACK MEET

In its first track meet of the season last Friday at Ann Arbor, Birmingham lost to Ann Arbor high school by the score of 38 to 37. Due to cold, wet weather, the meet took place on the indoor track with four firsts, six seconds, and four thirds.
Ann Arbor came home with seven first places, seven seconds, and five thirds. Birmingham trailed with four firsts, six seconds, and four thirds.
In the first event of the day, the 43-yard high hurdles, Andy Watson broke the tape first with the time of 6.4 McCarthy came in second, with Robinson of Ann Arbor in third.
McAllister and Gies of Ann Arbor, and Andrews of Baldwin came in first, second, and third, respectively in the 40-yard dash.
Ann Arbor took another first in the mile run, with McAllister Robinson won in 5.9. Birmingham placed second and third with Allen and Gorman running in that order.
In the 140 Hildinger and various boys of Ann Arbor, captured first and second places respectively, with Phil Carey coming in third, 5:01 being Hildinger's time.
The 220 was run against time, with Birmingham taking first in 2:20. Gies was second in 2:26. Gies was second in 2:26. Gies was second in 2:26.

Baldwin Observes Pan American Day

Celebrating Pan American Day, last Thursday, P. A. Romay, secretary to the Mexican Consul from Detroit, spoke to the assembly at Baldwin High School.
Romay, accompanied by the help of the Spanish class planned the assembly in view of the increasing spirit of friendliness between Pan American countries. Literature concerning the day was distributed to any room in the building.
"This is a National Day," said Mr. Romay, "and it is to be celebrated in every school in the country. It is what they call the Pan American Conference."
An orchestra of native Mexicans, members of the Senior High School choir, and the Spanish II class, under the direction of Miss Edith Roach and Mr. Merardo, furnished the musical selections.
The Baldwin High School orchestra, directed by Arnold W. Berndt, also played.

SPORTS AFIELD

By Bill Averill
When the Mason and White track squad used an indoor track Friday in its meet with Ann Arbor, it was the first time the history of the school that any Baldwin cinder team has done so. Considering this, the local boys can feel well satisfied with their results and in the way they adapted themselves to the indoor setup. Had the meet been staged outside, the chances are Birmingham undoubtedly would have taken more places than it did.
Another contributing factor in Birmingham's defeat was that when Ann Arbor met Birmingham already had had three previous indoor meets tucked under its belt. It won a meet with Lansing Eastern, and dropped two with River Rouge and Wyandotte. This gave the Ann Arbor squad nearly a month more practice than the Maple Leafs, and time enough to find out the events in which the members of the team should be entered.
With a few meets prior to last week it could be safely said that Birmingham would have given Ann Arbor a much closer contest. It is possible that Ann Arbor might have been defeated.
Birmingham literally pounded the track to pieces in its efforts to nose out Ann Arbor. This was done by Frank McCarthy, who held the first formal dance 'round here in quite a spell. Grand turns were made by Howard Whalen and Bob Harrington for the indoor decorations. Flowers were used to make us think of spring even though it's taking its time about it. Mignon Conway, Betty Smith, and Betty Lewis. Bunny Peckard, in a picture dress of black and white, was the center of attraction. George Bolton, tided Jeanne Cromwell and Joanne Billings, in Ann Arbor, were lovely places to see. Betty Russell, who was celebrating her birthday and having a grand time in the city, was the center of attraction. PAMPHLET WINS SPELLING BEE FOR BALDWIN GIRL

Catherine Williams was determined to win the spelling champion of Baldwin Junior High School Friday, April 8, when she correctly spelled "pamphlet." After it was spelled by John Gordon in the school spelling bee. Incidentally, Catherine and John, both BA students, were winners and runners-up respectively of home-room four which was held Friday, March 18.
A gold medal with her name inscribed on it was presented to Catherine as a reward for winning the school championship. Catherine will compete in the district spelling bee which will take place Friday, April 22, at Barham School.
Those who competed in the eighth grade contest were Catherine Williams, John Gordon, Bill Newton, Betty Wilson, Joan Kierling, Robert Mosher, William Penoyer, Albert Hersh, Patsy Clark, and Donald Brickson.
Much interest was evidenced throughout the junior high school in regard to the spelling bee. In response to popular request the bee was given as an assembly in Room 101, Friday morning. Lasting approximately one and one-half hours.
Mrs. Geraldine Forsyth, English teacher at Baldwin, sponsored the bee. She was assisted by Miss Margaret Cook and Miss Florence Ackley, also faculty members of Baldwin Junior High School.
Despite the fact that they are eliminated from the national spelling bee sponsored through the Detroit News, the ninth grade students of Baldwin displayed such interest in the spelling bee that under the direction of Miss Miriam Brown they held a bee in Room 209, when Marion E. Williams was found to be the spelling champion of their class, the ninth grade. Catherine Williams was found to be the spelling champion of the eighth and ninth grades.

12-B CLASS WINS PRIZE GIVEN BY 'PIPER' MAGAZINE

The circulation staff of "The Piper," Baldwin High School annual magazine, reports that its sales campaign conducted April 4-8 resulted in a total of 610 subscriptions sold to students, faculty, and townspeople.
A cash prize of Five Dollars to be awarded to the class having the highest number of subscriptions in proportion to its membership was won by the 12B class which topped the school with 98 percent. The 11A's were second with 94 per cent subscription list, and the 12A's third with 92 per cent.
Bill Pheasant with 50 subscriptions was the top seller. He offered the salesman with the best individual sales record. George Woolfenden was runner-up with a record of 38 subscriptions. George Woolfenden and Virginia Watson, circulation managers, with a staff of about 25 members, planned and carried out the most of the selling. They were assisted by the most striking sales campaigns in the history of "The Piper," selling ten more than their quota of 600 books, and meeting the 100 per cent record of former circulation managers, Clyde Beck, 38, Tom Navin '36, and Doris Beck.
"The Piper" will be distributed to subscribers May 20.

Baseball Season To Open April 26

After approximately five weather-beaten weeks of strenuous spring training, Baldwin's 1938 baseball team will begin a steady two-game-a-week schedule, the first being at the Municipal and Springdale ball park April 26, against St. Mary's of Orchard Lake.
The team has been practicing at the old Hill School field for three weeks. As soon as the regular season starts, the team will be playing the team will go to work with rakes and shovels to get it in condition.
Birmingham's schedule calls for two games a week, home and away. The first game will be against St. Mary's, Royal Oak, on Monday, April 26. This will be a seven week period from April 26 to June 10 with three open dates for rained-out games.

BARNUM BARBS

The only other first place taken by Birmingham was in the high jump, where the team cleared the bar with a jump of 5 feet 3 inches. There was another tie for second in the mile run, with Cloyd Hoover and Stein of Ann Arbor. With the graduation of Clark Collins, an injury to Dick Colgrove, Coach Whitney had to substitute a makeshift team for the two of the boys had never run it before. It followed close on the heels of Ann Arbor. The time made by Ann Arbor was 1:13.5. Ann Arbor made a clean sweep of the shot put event, taking all three places. Dohrnsky heaved the shot the farthest with a put of 42 feet 8 inches.

Ann Arbor Teacher To Talk On Careers

John M. Trytten of the University of Michigan High School at Ann Arbor, will lecture on "Worthwhile Careers Which Do Not Require College Training For Preparation," before the boys of Baldwin High School, Thursday, April 28, at 1 p. m.
Mr. Trytten is a commercial instructor but also acts as coordinator of guidance work. His lecture will be the last in the series of the Vocational Guidance Talks designed for Baldwin students during the past four months.
Every boy not planning to attend college is invited to hear this talk. Mr. Trytten's talk will be concerned with the molding of such interests into a career.

Banker Addresses Commercial Class

F. C. Schlorff of the Wabek State Bank, visited the Baldwin Commercial Law class last Friday, April 8, and gave a very interesting talk on banking.
Mr. Schlorff told the students that since the new banking laws were passed, a bank must be needed before it can be chartered and it must have the confidence of the people to run successfully. He also stated that most banks today carry insurance with the Federal Deposit Insurance Company and are required to keep twelve per cent of their deposits on hand in cash.
Mr. Schlorff said he was glad to have the opportunity to tell the class a few things about banking because he believed in helping in the education of young people along the lines of business. He extended an invitation to the students to visit the Wabek Bank at any time, adding that he would be glad to show them through it.

LEGION TO SEND 2 EAGLE SCOUTS TO BOYS' STATE

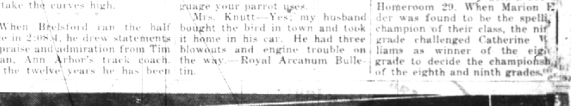

The local American Legion Post will shortly select two Birmingham Eagle Scouts, under 18 years of age to attend the state-wide "Warrior Boys' State" at Michigan State College during the period between June 16 and 25. All expenses will be paid by the Post.
The purpose of the Encampment will be to instill in the boys the spirit of Americanism and thorough knowledge of the political and governmental machinery of the state.
Nearly 800 boys, picked by various civic organizations, will be attending the Encampment. They will meet and receive the instruction of many nationally known figures in the political and sports world. These men will include Governor Pritchett Murphy and Chief Charles Bachman, of Michigan State College.
As all of the boys are being picked for outstanding leadership and personal ability, they will set up a miniature organization within the larger one. They will be set up as a miniature organization within the larger one. They will be set up as a miniature organization within the larger one.

STAGE SET FOR 'CASINO '38' BY BALDWIN JUNIORS

Plans are nearing completion for the "Casino '38," a cabaret dance to be held at Baldwin High School Friday, April 15, sponsored by the Junior Class.
The orchestra will be seated at the foot of the stage. The stage and modernistic steps on either side of it will lead to a soft-drink fountain. The cast includes Betty Vinton, Jack Gay, and John Bathgate.
A soft, indirect lighting system promises to strike a novel and beautiful note in the decorations. The set will be strictly informal, as all affairs were put on sale Tuesday by George Mullin, who is also in charge of table reservations. There is no range of ticket prices, and the best tables will be given to those who make their reservations first.
With the co-operation of the students, this will be one of the most successful dances Baldwin has ever had. Bob Myers, general chairman, stated, "But it is up to every student to help make it so."
All proceeds of the dance will go toward the traditional Junior-Senior reception, which will be held in June.
A Gentleman
"Sadie, what is a gentleman?"
"A gentleman," answered Sadie, "is a man you don't know very well."

When we were pretty sure we had a great car when some months ago we checked the final blueprints on the 1938 Buick.
It had the new and mighty DYNAFLASH engine for sparkling action—the sensationally desirable TORQUE-FREE SPRINGING for a lullaby of a ride.
Looking ahead in that promising day, we figured we had every chance of getting our sales share by reason of what this car gave the buyer for his money.
Now, when times are sterner, it appears we built better than we knew—we've got a car folks just won't do without!
This great new Buick was first introduced to the public last fall. Through September, October, November, it sold in steadily increasing volume.
In a period when sales of other cars were sliding off it went ahead, in one month actually outselling one of the Big Three at the lowest-priced field.
It's still going ahead—not car Number Seven or Eight, as one might expect by its price class, but one of the season's Four Best Sellers!
There is only one explanation of such a record when made by a car in the thousand-dollar bracket.
Such a car is so good—has so much of value in it—people just won't do without it!
They buy it not only in preference to other cars—they buy in preference to waiting for easier times and readier money-to-spend!
That's the convincing sort of car you're about to drive when you first take the wheel of a 1938 Buick.
If you haven't yet handled a new Buick, you ought to—just to see what such a car is like!
