

Cool Drinks Are A Summer Delight But They Need Not Be Expensive

The up-to-date housekeeper always has on hand the ingredients to make a cooling drink at a minute's notice. Be sure that the chilled drink is appealing to the eye as well as the palate. Colored ice cubes (made by adding vegetable coloring to the water for your cubes) add a dash of lemon stick to each cube; all of these are popular in making drinks. Try some of these drinks on your thirsty friends.

Honolulu Tea
To 2 cups cold tea add the juice of 6 lemons, 2 cups crushed pineapple with its syrup, 1 cup maraschino cherries with their syrup and a syrup made by boiling 2 cups of sugar and 1 cup of water for 5 minutes. Chill and serve with crushed ice.

Pineapple Julep
3 cups pineapple syrup
1-4 cup lime juice
3 cups ice water
1-4 cup of fresh mint leaves
1-2 cup powdered sugar
Chop fresh mint leaves to make 1-4 cup, add sugar and rub well together. Add pineapple syrup, lime juice and ice water. Let stand 1 hour in a cool place. Serve with ice a very mint in each glass.

Orange Ginger Ale
For each person served, combine 2-3 cups of orange juice with 1-2 cup ginger ale. Pour over ice in a glass and serve immediately.

Chocolate Mint Drink
Melt 2 squares of chocolate over hot water. Add 1 cup of boiling water and cook 2 minutes. Add 1 cup of sugar and boil 15 minutes. Remove from heat, add 4 tablespoons of marshmallow topping and beat until smooth. Pour into a large bowl, add 2 cups of all of peppermint, 1 quart of milk and ice. Serve in tall glasses.

Grapefruit Punch
1 quart of water
2 cups of sugar
2 cans of grapefruit
Juice of 2 lemons
1 small bottle of minced cherries
Crushed ice
Boil the water and sugar together for 5 minutes. Cool, add fruit and fruit juices, chill thoroughly. Serve in small glasses half filled with ice. Place a whole cherry on top of each glass.

Mint Delight
Mix together 1 cup of cold water, 1-2 teaspoon of green coloring and 1-2 teaspoon of peppermint flavoring. Pour into a freezing tray and freeze in cubes. Combine 2 cups lemon juice, 1 1/2 cups sugar and 3 cups cold water. Stir until the sugar is dissolved. Pour into a freezing tray, freeze to a mushlike consistency. Mash with a spoon and mix with 2 cups of water in a pitcher. Partly fill each glass with the icy lemonade mixture, add a green mint ice cube and decorate with a sprig of mint.

Blackberry Nectar
Combine 2 cups of blackberry juice, drained from canned blackberries, 1-2 cup lemon juice and a few grains of salt. Add 1 pint bottle of carbonated water. Garnish with 3 slices of banana and a few blackberries. Serve at once.

Prune Grape Punch
1 cup cooked crushed prunes
1 cup water
3 cups cold green tea
2-3 cup sugar
1-2 cup lemon juice
1 cup orange juice
Combine prunes, water and sugar. Boil to dissolve sugar. Strain and chill. Add tea, lemon juice and orange juice. Mix thoroughly. Chill and serve.

Fruited Tea
2 tablespoon black tea
1-2 large can of sliced pineapple
3 oranges
3 lemons
2 cups sugar
Steep the tea in 2 cups of boiling water. Strain, add the sugar, mix well and cool. Add lemon

juice to the tea. Boil the lemon and orange rinds for 15 minutes in enough water to cover them. Strain, cool and add to the tea. Add the pineapple juice. Strain all through a double thickness of cheese cloth until clear. Cut the sliced pineapple in small pieces and add to the punch. Chill thoroughly. Add cherry ice cubes when ready to serve.

Frosted Coffee
To each pint of strong coffee, add 1 cup milk, 1/4 cup cream and 3 tablespoons of vanilla ice cream. Shake all thoroughly together and serve. Dust with cinnamon.

Golden Float
In each glass place a few thin slices of banana and a small scoop of orange sherbet. Fill up glass with ginger ale.

Tomato Juice Shake
Shake lightly 1 can of chilled tomato juice and half as much fresh milk. Pour into glasses and add a dash of ground cloves to each serving.

Cottons are beautiful this season. The girl with a limited allowance can be as glamorous as her more affluent sister if she takes advantage of the lovely styles and materials.

House coats in printed crash are lovely and tailored, while playuits are available in gay cottons for every type of figure.

For evening, dainty dotted Swiss or more tailored linens are the last word.

The girl in the office can stay fresh and trim all summer if she includes several daisies and dots of dotted Swiss with sheer white collars and cuffs in her wardrobe.

A word to the wise, however: If you are inclined to be plump, don't go in for the current fad of peasant clothes.

Girl Scouts Take to the Open Sea

High up the rigging are these enthusiastic sea-faring Girl Scouts, pictured before sailing from New York on the first of eight one-week voyages that different Scout groups are taking this summer on the schooner "Yankee." Only expert swimmers may make the sailings.

Tax or Ax?
In balancing the budget the big question is whether to use more tax or more ax.—Norfolk Virginian-Pilot.

"Yes, poor thing," commented the wise-cracking boarder. "I've noticed for some time that it was very weak."

The story has gotten about that Walt Disney, besides producing some mighty fine animated movies, is good to his employees—and this picture seems to prove up that story. Disney is pictured getting on the good side of two 12-week-old fawns sent him by the state of Maine to serve as models for the hero and heroine of Disney's next feature-length production, "Bambi," the story of a deer.
