THE BIRMINGHAM

As proof of the fact that there is nothing new under the sun, we call attention to the following quotation of the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at gloomly moment in the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes at the sun, we call attention to the following quotation and pushes attention to the following quotation and pushes attention to the following quotation

Service Levil and the control of the

People's Column

To the Editor,
The Birmingham Eccentric
I should like to suggest the following names for the new highway. "Oakland Boulevard" or
"Birmingham Highway" or "Couzens Highway"
"Yours truly,
"V. A. T.
