COLORFUL RITES HELD AT CHURCH FOR YOUNG PAIR

A ceremony of color and charm, performed by the Rev. Warner L. Forsyth in St. James Episcopal Church, Friday, united in marriage Miss Jean Ransier, daughter of Mr. and Mrs. James Ransier of George Street, and John A. Williams of Detroit. The young couple exchanged vows at four o'clock in the afternoon, before an altar banked with white roses and ferns, illuminated by the soft glow of white tapers.

The bride wore a fitted crepe gown of street length, fashioned with a jacket. The material was aquamarine crepe. Her brown accessories were topped by a large brown picture hat of straw. In her bouquet she carried Johanna Hill roses and larkspur, tied with white satin ribbons.

Miss Alice Upward, who was the only attendant, chose a gown similar to that of the bride, fashioned of coral-colored crepe. Her accessories were brown also, and she wore a felt hat. Her flowers were a bouquet of roses and delphinium, tied with ribbons in an aquamarine shade which matched the bride's gown.

William McInnes of Redford attended Mr. Williams as best man. Seating guests were Clifford Ransier, brother of the bride; and Art Berger, of Detroit.

A reception for 75 followed the ceremony, at the Community House. The bride's table, laid with a fine white linen cloth, was centered with a tiered wedding cake, flanked by tapers which carried out the all-white motif. A huge bouquet of roses, between tapers, adorned the mantel and spring flowers were used in profusion about the rooms.

Mrs. Ransier received her guests in a navy blue street-length frock, with which she wore white accessories. Her flowers were a corsage arrangement of pink roses. Assisting her at the reception was Mrs. F. G. Prentice.

A number of out-of-town guests attended the affair. Among them were Mr. and Mrs. Hudson Rapsier of Ortonville; Mr. and Mrs. Owen Taft of Howell; Mr. and Mrs. Cullen Macklop of Pontiac; and Mr. and Mrs. Theodore Newhouser, Mr. and Mrs. Lawrence Martinet, Mr. and Mrs. Raymond Foley and Mr. and Mrs. William Danz, all of Detroit.

Following the reception, the young couple left on a trip to Georgian Bay. Upon their return they will be at home on Merritt avenue in Detroit.

FORMER RESIDENT TO WED IN FARMINGTON

Of interest to the many friends of the young couple is the announcement made this week by Mr. and Mrs. Reuben Owens of North Farmington concerning the engagement of their daughter, Miss Beth, to Clyde J. Graham.

The wedding, which will be an event of Saturday, June 30, will be held at the Owens home. The bride-elect was graduated from Baldwin High School in 1935. She and her family are former residents of Birmingham.

The SNAPSHOT GUILD

CHOOSING A CAMERA

Fast vacation-time action calls for a speedy shutter. Nobody wants to miss shots like this, or get pictures that are blurred and fuzzy because of movement.

IF YOU are planning to get a new camera for your vacation this year, let me suggest that you do not delay until the last moment, and then have to pick your instrument in a great rush.

A camera should be chosen with care and attention to every detail—picture size, lens, shutter, view finder, ease of opening and handling, finish and durability. Moreover, it should be obtained early enough for you to become thoroughly familiar with its workings, because on a vacation you will often want to use it in a hurry.

Compare and handle several cameras before you choose. Study lenses—maybe you will want an f.6.3, to make sure of well-timed snapshots on dull days, or an f.4.5, twice as fast, for speedy action shots in bad light—as well as better indoor snapshots. It is well to bear in mind, too, that a good fast anastigmat lens gives sharper pictures — which means better enlargements if your vacation yields top-notch scenics that you want to have framed.

Make sure that the shutter of the new camera has enough speed to take care of all your probable needs. It is bad when you have a chance for some good action snaps on the tennis court or beach and your camera shutter is too slow to get them. Remember, too, that if your hand is at all unsteady, a speedy shutter is a great help in getting sharp pictures.

You have a wide choice of camera styles and prices. You can get super-speed miniatures with f.2 and f.2.8 lenses; others with f.3.5 lenses; cameras taking larger pictures that have f.3.5, f.4.5, and f.6.3 lens. Naturally, the better the camera is—the more speed and versatility it has—the more it costs, but there is no need to spend in excess of your needs. Thousands of good pictures are made every day with moderately priced cameras, and they will serve for most snapshot purposes.

Among the popular brides of the season is Miss Wilhelmina Maytag, daughter of Mr. and Mrs. N. E. Maytag of Chippewa road in Pontiac, who exchanged vows Wednesday noon with James Glennie, son of Mr. and Mrs. James S. Glennie, also of Pontiac. The Rev. John Burt officiated at the ceremony, which was held in the Episcopal church of Pontiac.

The kitchen shower theme was cleverly carried out in the decorations. Red and white shelf paper covered the table, which was centered with a pyramid of canned goods, piled on a round mirror. The centerpiece was further ornamented with cities of white tulle and a base of orange blossoms. Place cards, which were made by little Joan Birthrong, employed pictures of canned goods for the bodies and pipe-cleaner arms and legs. Tiny brides, complete with veils, stood in the centers of the individual salads. Red roses about the rooms carried out the color motif.

Bridge and other games followed the luncheon, and the affair reached its climax with the presentation of shower gifts to the honoree.

Fashion Tips

One of the Parisian designers recently displayed a frock at the mid-season showing which was made of sixty yards of crinoline veiling. It was, in reality, six different colored dresses, one placed over the other. They were molded to the hips and then flared towards the hem.

Cottons are immensely popular. Printed lawn trimmed with colored lace is very good for evening dresses. Others of muslin or voile are worn over taffeta slips. These are trimmed with lace or hand work.

Evening dresses of net, white lace or organdies are beautiful. Sashes, panels down the front or row upon row of narrow lace are used as trimmings.
