The Danger Demon
Thrills a-plenty—yes, and sings—in this special creation for those contemplating suicide. Use it for a cigaret lighter and get the sensation of meeting destruction face to face. One warning; it doesn't contain money for your hospital bill.

The Sport Sizzler
This loud bang is the sound of willow against the horribble Holiday "wonder - what - to-doors" will find this model exciting to watch and something to cheer about—that is, if the home team doesn't sizzle out in the ninth with the bases loaded.

The Weather Wow
Guaranteed to put a damper on the Fourth with a splash is this new type of water-cracker. It brews a shower, accompanied by natural fireworks, which will put the picnic on the porch, the children into crying fits, and the clothes in the laundry hamper.

The Family Fizz
This model, blows out near the end of the holiday just when the celebration is getting hot. Emitting a loud "Phooey" and collapsing with a sneer, it refuses to add anything to family fun. "It ain't the heat, it's the humidity" is the excuse.
