

CHILDREN AND PARENTS WILL SHOW HOBBIES

A hobby show, embracing the leisure-time activities of both children and adults, will form the entertainment after the next meeting of the Baldwin high school Parent Teacher Association, to be held at the school at 7:45 on Sunday, March 10. While the setting is in progress, officers for the coming year will be elected.

The exhibition, to which the public is welcome, will be under the general chairmanship of Miss Helen Brown, physical education instructor. George H. Wurster, who is in charge of the physical education staff, is in charge of publicity for the event, and Robert Bricely, annual arts instructor, is chairman of arrangements.

DANCING GROUP NAMES DATE OF MARCH PARTY

Members of the Friendly Club have not to mention their next party to receive the promise of being overhauled by requests for seats. The date of their next assembly, the evening of Friday, March 11, was only a suggestion when reservations began to show themselves. Already those who are in charge of this month's affair say that it looks like a full house at the Community House last night.

Mrs. Forbes S. Hascall, who is serving as general chairman of the affair, announces that the club will try not to belie its name by reserving any of the reservations. It is warned that the prospective dancers must expect the law of first come, first served to hold.

Others who are assisting Mrs. Hascall in preparations for the affair include Mrs. P. H. O'Connell, Mrs. John B. Maynard and Mrs. Howard D. Crull.

Musicales Will Hold Dessert Luncheon

A dessert luncheon at the Community House will precede the annual election of officers and regular program of the Birmingham Musical. The affair will be held at 1:30 Thursday afternoon, March 10. Mrs. Thomas E. Corn is program chairman for the day.

A piano solo by Mrs. Erik Bergisang will comprise the first of the instrumental selections. Miss Helen Atkins, violinist, will be the other instrumentalist.

Vocal selections will be offered by Miss Vadnet Scott, contralto, and Mrs. Manley Tyson, soprano.

The Birmingham friends of the Rev. W. Hamilton Aulenbach met informally at the Community House Saturday at a reception arranged as a farewell gesture in his honor. Mr. and Mrs. Aulenbach are shown conversing with Mayor John E. Martz and Mrs. Martz. Among the guests were friends and acquaintances as well as representatives of civic, school and social organizations. Rev. and Mrs. Aulenbach left Tuesday for their new home in Germantown, Pa., where "The Parson" will assume his new duties as rector of Christ Church and St. Michael's.

WE HEARD IT SAID BY—
A. J. Underwood, Williamsburg road: "Many years of association with the airplane business in the United States prompts me to make this recommendation to all youth interested in aviation: do not waste the early years of your life trying to learn to fly the planes; rather go ahead with your education and then, if your interests and pocket allow it when you are past 25 or 30, take up flying. You can learn better, be more cautious when you are grown up than you can by taking the adventurous chances that are part of youth's attitude toward aviation."
