PUBLIC SCHOOLS PLAN PROGRAMS FOR MUSIC WEEK

The Birmingham Public School Music departments will observe National Music Week by presenting a series of programs during the first week of May.

Highlighting the week's events will be a concert to be given Wednesday evening, May 4, by choruses from the Barnum, Adams and Baldwin Junior High schools, with the Baldwin Senior High school, under the direction of Edith Roach, director of vocal music in the secondary schools, and a program of instrumental music students from all grades will pool their talents under the direction of Arnold W. Berndt, director o finstrumental music in the public schools.

This will be the second all-community program at a central place and it will give parents from all parts of the city an opportunity to hear local school music groups in recital using massed groups. Over 1000 students will participate during the festival.

In addition, Miss Verna Schaar will present vocal programs in the Pierce, Adams, Barnum and Quarton elementary schools on the afternoons of May 2, 3, 4 and 5 respectively.

Noted Preacher Coming Sunday

The Rev. Dr. Albert W. Beaven, president of Colgate-Rochester Theological seminary, will be the guest preacher at Christ church Cranbrook, Sunday morning, April 3, at 11 o'clock. Dr. Beaven, a nationally know preacher, makes an annual visit to Christ church.

Sunday afternoon at 4 o'clock vesper service. August Richard Maekelberghe, formerly of St. Vincent de Paul in Pontiac and now staff organist at radio station WWJ and acting organist at Christ church, will play a brief organ recital.

The weekly Lenten supper meeting will take place as usual on Wednesday, April 6, at 6:30 p. m. Mrs. Belle F. Murray, director of religious education, will be the speaker and her topic will be "Grown-ups Behave Too." There will be group hymn singing in the guild hall after supper.

What Your City Commission Is Doing—

March 28, 1938

The manager was authorized to proceed with an adjustment based on the engineer's recommendation, on a recent claim submitted by owners of property adjacent to Wimbleton Avenue of special assessment in exchange for dedication of right of way.

Bills were approved in an amount of $642.28.

An application from the Winningham Chevrolet Company for renewal for three months of a temporary building permit was approved.

A claim for damages to a car, caused by the driver backing into a street excavation was received and referred to the manager.

A request for a catch basin at the southeast corner of Poppleton and Wimbleton was received with the manager's recommendation that no action be taken at this time, due to lack of funds.

On the basis of advise from the Michigan Department of Health, and in view of the fact that adequate sewage disposal will undoubtedly be provided in the near future, the manager recommended that the city not require individual septic tanks in future construction of new homes, thereby saving the owner or builder about $60.00. Such action was deferred until after the election to be held April 4th.

The manager recommended that the city take the initial steps to form a special assessment district for the construction of an adequate sewer system on Madison, Rivenoak, Kennesaw and Mohegan Avenu s, and also the construction of the Elon Road Drain. Collection of assessments would have to be made prior to the construction of the improvement. The report was received and referred back to the manager with the suggestion that the property owners affected, be interviewed before any definite action is taken by the Commission.

The Commission approved the appointment of Alice Upward as deputy treasurer during Mr. Corson's temporary absence from the city, and also the renewal of the treasurer's bond.

IRENE E. HANLEY,
City Clerk.
