

### OBERLIN COLLEGE HONORS SENIOR AT BALDWIN HIGH

A special honor was brought to Baldwin High School this week by Max Horton, a member of the Senior class and the son of Mr. and Mrs. Max B. Horton of Greenwood avenue. The announcement of the honor came in the form of a letter to Principal Ray H. Bechtold from Curtis Anderson, assistant director of Oberlin College, Ohio.

Each year Oberlin holds high school day contests. This year Horton, competing against a field of 300 picked seniors, placed among the top quarter of the competitors in American History. Horton was awarded an Oberlin Honor Certificate for his achievement.

The letter to Mr. Bechtold praised Horton's fine showing and excellent preparation. The hope was expressed that there would be the same fine representation from Baldwin next October when Oberlin holds its twentieth annual High School Day.

Not Fast Enough!  
"Isn't it wonderful? Man can now travel swiftly on land, air, and water."  
"The only drawback is that his creditors can too."

(Continued from Page One)  
trouble, the speaker pointed out, is that the clubs are inactive. Men in service clubs must anticipate such a condition and combine their thoughts and efforts to provide for it.

Mr. Down declared:

"Too much aid is expected from the Federal Government," the speaker said. "When a community needs financial aid, it reports to Washington. The result depends upon the Federal support will increase Federal strength and domination. The responsibility should be placed upon the community for meeting its own needs. In fact, it is the only way many ways to realize control in the Federal Government. Service Clubs should realize this and concentrate their efforts toward placing responsibility where it belongs, in the community."

Mr. Down commended service clubs for their cooperation with youth organizations in the city and for the many interesting activities for their leisure time. The speaker was introduced by Ralph Wilson, chairman of the program committee.

Coach Wurster is endeavoring to choose between two candidates, George (Moon) Mullin and Horace (Left) Cole to fill the quarterback assignment if Bodard is unable to play.

It is hoped that Bodard's injuries have healed sufficiently to enable him to play as he has been the mainstay of the backfield, both on offense and defense, to date.

### SENIORS TRIUMPH OVER JUNIORS IN FIELD DAY MEET

(Continued from Page One)  
The parade started at 3:00 p. m. in a drizzle of rain. Because of the rain, plans for a few of the floats were dropped. The Seniors' first float was a cage with a mouse, and its trainer. Their second float carried the Queen of the class and her attendants.

The Junior class had a unique float with the middle of the wagon divided by a fence. One side of the fence represented Heaven where all the Juniors belong. Along with them, on a blue throne, sat an angel and Saint Peter. On the Hades side sat the devil on a red throne, surrounded by Seniors, Sophomores, and Freshmen.

The Sophomores had a gaily decorated float of green and white with a Queen of the class on a mouse-drawn wagon. The members of the class were dressed as Indians and danced around the pole where a classmate dressed in the sophomore colors was tied. This was to show the Sophomores being badly beaten.

### TWINS LEAD 'DOUBLE LIFE, BROTHERS FIND

brothers tried that famous trick of posing as the other.

"We exchanged girls during an evening and no one was the wiser," said Eugene Terrell with a smile. "We told the girls what we had done before we took them home, however, so there were no hard feelings."

When it comes to similarity in taste Jack and Eugene have one accomplishment of which they may well be proud. Last Christmas, Eugene decided that his girl was going to be a surprise to him, for a change. Without consulting his brother, Jack for some apparently unaccountable reason had the same idea.

"One afternoon before Christmas I went downtown and selected a dressing gown for my brother," said Eugene. "There was a little surprise to receive a blue striped dressing gown of the same style that he had chosen for his brother."

Despite the fact that they are identical twins and dress alike, each of the Terrells manages to preserve his individuality. Eugene is slightly taller than Jack, and weighs a little more than his twin brother. Jack doesn't care for movie-pictures and seldom goes to see them even though Eugene is a thorough-going cinema-addict. The greatest disadvantage about being a twin in the Terrells' opinion is that they are so alike that by their similarity when they are together.
