## TOWN & COUNTRY HOME

## FOR THE DISCRIMINATING HOME BUYER

954 SUFFIELD ROAD-A duelling but was built under the scrupulous personal supervision of one of Birmingham's most reliable builders, embodying the latest features of equipment and design.

The efficient room layout of this home lends riself to an easy flow from room to room, free from confusion. From the wide entrance hall give enters the living room (14x24) with an enormous bay window opening up the entire south end. The fireplace is faced with marble and framed by a true Colonial mantel.

Double French doors lead from the large screened porch to the living room as well as to the dining room.

The library is also reached from the entrance hall — it is panelled in knotty pine, with ample book room.

You will be more than delighted with the kitchen — with its efficient layout — its modern design and color scheme — you will truly appreciate it when entertaining.

This house heralds the new trend of a easier, healthier, more gracious living. See it for the value it represents.
