Holland's Queen To Celebrate 40th Anniversary Of Accession To Throne

Editor's Note: At a time when war clouds hang threateningly over many European nations, the people of The Netherlands, calm and unperturbed, are celebrating the 40th anniversary of Queen Wilhelmina's accession to the throne. Believing it may be of interest to residents of Birmingham descended from pioneers from The Netherlands, The Eccentric offers an article by Mr. van Weller, attaché to The Netherlands' Consulate in Detroit, telling what his countrymen are doing in Michigan as a tribute to their forefathers.

By W. K. von Weller. September 1, 1898, was a very important day in the history of the Netherlands people of this year. It is the 40th anniversary of the day that Queen Wilhelmina, the only reigning Queen in the world today, took the oath of office. She was crowned in the Hague, Holland, and her reign has been marked by a long and successful career. She has been a symbol of strength and courage, and her people love her dearly. The Netherlands is a small country, but it has a rich history and a strong sense of national identity. The people are proud of their Queen and their country.

On the map of the World many changes have taken place since the time of the Hollanders who sailed to North America in 1609 and founded New Amsterdam. The Netherlands is now a part of the United States of America, and the people of the Netherlands are now citizens of the United States. The Netherlands is a small country, but it has a rich history and a strong sense of national identity. The people are proud of their Queen and their country.

"JOHN" R. WESTENBARGER Republican Candidate FOR SHERIFF

"The Right to Vote Is Not Only a Privilege, But a Duty"

Dear Fellow Churchmen: One of our local citizens, Mr. John R. Westenbarger, a resident of Royal Oak for 23 years and a man of whom we are all proud, is a candidate for Sheriff of Oakland County.

Support influences are all too ready to support candidates for public office and we should always be on the alert to prevent our support of a candidate who we know is free from any of these influences.

Mr. Westenbarger is interested not only in law enforcement but in civic progression as well. He will ask your cooperation in this regard and you may feel free at any time to ask for his assistance. His candidates based on years of acquaintance with him and his work and he is on with the firm conviction that if elected he will not only bring credit to himself but dignity and respect to the office of Sheriff.
