CAR DESIGN SATED FOR MAJOR SHIFT IN '39? Noted Designer Declares End of Current Style Cycle Is Now Overdue

By JOEL BARBER Five years ago two radically different schools of automobile design met head-on in the market.

The style cycle set in motion by this choice now appears to be nearing completion. Indeed, the question really is, if its end is not overdue, for while major style shifts cost hugely to accomplish, they cost far less than to sell cars in satisfactory volume.
