

Baldwin Leads Deacons in First Grid Skirmish To Dearborn High

OPPONENTS SCORE AGAINST MAROONS IN CLOSE COMBAT

By converting the point after touchdowns after trailing through three quarters, the Dearborn high school football team defeated Birmingham by a score of 7 to 6 Friday afternoon.

Mixing an assortment of triple laterals, end runs and long passes the Dearborn team opened the scoring in the closing minutes of the first quarter. After an exchange of punts, Baldwin received the ball on her own 40 yard line.

A smash through center netted no gain, but on the next play Pardee lateraled to Deardorf who faded back and threw a beautiful 40 yard pass to Wenzell who received on the 20 yard line and ran 15 yards to the Dearborn five-yard line before being tackled. Hugh Mack then advanced the ball to the one-yard line from where Pardee carried it over on the next play. The try for extra point failed when, with Deardorf holding him on Baldwin's 22 yard line. After failure to gain, Dearborn

Each girl judged her own work according to a score card. These fruits will be used in preparing dishes later in the year.

Something new in the way of education at Baldwin is the photography class under the direction of Eugene Hubbard. This class meets four times a week and is primarily for budding photographers.

Sports Showup

Dearborn is the first team we ever saw which used four different line backs—a four, five, six, and seven-man line.

Birmingham almost ran the legs off Dearborn the first half, but the old saying "a tired heavy man is better than a tired light man," proved itself true in the last half when a wearied Birmingham team couldn't stave off the line plunges of Dearborn.

There was one of the largest crowds of "Birminghamites" we have seen in a long time at an out-of-town game. They were not all students, either, a large portion being adults.

Two sophomores, Hugh Mack and Dick Neely, played in the ball game. Mack is a half-back while Neely plays right end.

It doesn't make any difference whether it is hockey or football, Ted Snyder and Dick Wenzell make a snappy combination. Dick blocked one kick and then went right back with Dick and helped block another.

This year Coach Wurster has a good first team, but as usual, does not have the reserve power, which is essential to a great team.

Last year Dearborn, with Wayne, was co-champion of the Twin Valley League. We play Wayne later on in the season. If our showing is as good as it was Friday, we can hope that the "Little Brown Jug" will be back in Birmingham.

Breaks often win or lose a game. This was proved Friday when after outplaying Dearborn for the first half, Birmingham was the recipient of three fifteen-yard penalties. One of these penalties put the ball on our own nine-yard line and set the stage for Dearborn's touchdown.

The local fans who did not attend the game will see the new uniforms for the first time tomorrow. And are you in for an eye-fall?

The entire team deserves commendation for the fight and gamesomeness the boys showed against Dearborn.

HI-LIGHTS BALDWIN

Annie definitely believes that the boys' football team has taken on a brand new hurrah. Spied a whole army of kids simply desert your battle with last Friday and whip them through to Dearborn with your Maroon and White. Fight aboard the season's first game.

Sally Ann Carey, Shirley Smith, Mary Ann Meade, and Margaret Miller, cheerleaders.

Bill Brown? - - - and me without my autograph book!

Then, after a couple laps—the gang held a jitterbug jam session in behind gym. And such a turnout! With music by Dorsey Goodman, Kemp, etc. (via the "big" no less). Emilie Giffels plus Joe Mack, Peggy McBratton, dancing with Jack Dunn. Jack Bell loved Emilie Roman, Migit Gardner and Paul Wagoner talk on the white foul line. The feature of the evening—Yvonne Gayt investigating the kids into the Lambeth Walk-Hotel's real jamboe it was, too! Bob Brooks, Dick Vicario, and Young Zimmerman were found—keeping 'em on the situation. Thus with the ringing-in of the curfew, the mob dashed out, includin' Annie.

SEASON UNDER WAY FOR VARSITY CLUB

Inauguration of the new varsity club season got under way last Friday with the election of the officers for the year.

The club has planned to hold pep meetings through the year. Tomorrow the club will assist with the snake dance before the football game.

CHEER LEADERS CHOSEN TO BOOST MAROONS

Five cheerleaders were selected by Jim Bickford at tryouts which were held last Wednesday afternoon at Baldwin High School.

The boys will wear white flannels with maroon sweaters, while the girls will wear maroon collottes with white sweaters. All of the sweater fronts will carry white megaphone emblems.

The manager of a cinema interviewed an applicant for the position of attendant. After asking the man several questions as to his suitability for the job he finally asked him: "What would you do in case of fire?" "Oh," said the man, "don't worry about me. I'd soon get out."
