"Substance" will be the subject of the sermon in all Central Baptist Churches throughout the world on Sunday, September 11.

The Golden Text: "Mat 5:34, 'Blessed are they which is hunger and thirst after righteousness; for they shall be filled.'"

Among the Bible citations in this passage (Hebr 11:1): "Now faith is the substance of things hoped for, the evidence of things not seen. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which are seen, but of things which do appear."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, published by the Trustees of the Church, Boston, following p. 303: "The universe reflects and expresses divine substance. The mind therefore is seen, and in the spiritual universe and spiritual man, as the sun is seen in the ray which it sheds out from it."
