The Village Players will be hosts at the all-day meeting with George M. Doolley, first president of the Association, as chairman of the day. Arrangements are being made to care for about 450 delegates.

Dr. W. Fawcett Thompson of the department of speech and dramatics at Michigan State College, current president of the Association, will preside over the day's activities. A program has been arranged, according to Dr. Thompson, which will be of the greatest interest to the members at large. All speakers are members of the Association, each being a specialist in his own field.

Besides the style parade, there will be entertainment and refreshments. Mrs. Wilson M. Wagner will offer several piano selections and Miss June Brunette will sing. Mrs. Merlyn Savley is serving as chairman of the refreshments committee.

Mrs. Melvin A. Tindall and Mrs. C. P. Ducey, co-chairmen of arrangements for the event, issue a cordial invitation to everyone interested to attend. The show will be held at the basement of the church.

THE TREND OF THINGS

Dress-maker's touches are found on slouchers, in yokes, collars, and cuffs. A soft white conflict with the dominant color of the season, blue. Fabrics for blouses will be in great variety, chiffon, silk, organza and batiste, lace, figured net, spun rayon, and cotton. Objects to be worn over the shirt will be more popular than last year, orange the tick-in-type should lead in favor.

Underpaid

The American book canvasser lacks a solemn-looking, negative intonation.

After nothing importantly while the canvases enlarged on the vastness of knowledge he derived from the work he was offering on the installment plan, the negro remarked quaffly: "That's the way the book boys know how more how that I get paid for."
