## The SNAPSHOT CUILD MINIATURE CAMERAS

The original of this picture is a transparency in natural color, made with an inexpensive miniature camera, Good in black-and-white, it glows with life in color.

UNDOUBTEDLY most Snapshot Guild members have longed to on. They are cameras one p at hand all the time, ready cture chance the moment i

Many invariably refer to a minia

range which have recently been announced.

The other day, I saw a beautifully
and eminiature, with a sharp-cutting £55 lens, for only \$1850—a
countries, and of the picture of the picture of the picture
conditions as well and adverse light
conditions as well and a fire projection. A similar camera, but
with a faster lens, was pried at
\$27,50. Both were sturdy, well-built,
and capable of doing excellent work.
These are about bottom prices for
miniatures capable of taking good
color pictures.
