

Oakland County Briefs

CLAWSON — Barney Kline, Paul Kasten and Joseph Cline were the successful Clawson high school pupils who competed in examinations to attend the Wolverine Boys' State at East Lansing in June, sponsored by the American Legion of Michigan. Forty-five boys took the examination under the direction of Supt. Wesley H. Boyce.

HAZEL PARK — Jewell Dougherty, 23 years old, of Troy Township, pleaded guilty to a charge of leaving the scene of an accident Friday in justice court and was sentenced to spend 30 days in jail. He waived examination on a \$10,000 bond for trial in Oakland County Circuit Court.

AUBURN HEIGHTS — District spelling bee was held at the Auburn Heights High School Thursday afternoon to determine a grade champion of the district. Sixteen contestants were present from the various schools in this vicinity.

Tachel LaPointe, 14 years old, six miles north of Rochester, was the winner, spelling the word "Colicidence."

Richard Perry, 12 1/2 Silver Hill road, 12 years old, of Hallsted School.

FARMINGTON — Electors of the township will vote May 1 on a proposed \$10,000 bond issue which, if approved, will help finance the construction of a new town hall. The money would supplement a \$27,500 WPA grant which will be available if a favorable vote is given at the polls.

At the same time electors must grant authority for an increase of two mills in property tax to care for the bonds over a five year period. The two mills would be authorized above the 15 mill tax limitation imposed by the State constitution.

The purchase of a site also will

be voted upon, a three acre site on the west side of Orchard Lake and east of the intersection of Mile roads being considered.

HAZEL PARK — Laura Wall, 7-8 pupil of Lacey school, Hazel Park, won the district spelling bee contest in Angell school, Berkley in 40 minutes Friday afternoon. The thirteen-year-old girl won in district No. 19, containing Angell-Huntington Woods and Hazel Park elementary schools, and qualified for the Metropolitan finals to be held in the Detroit coliseum in May.

FONTIAC — Vigorous and active, Henry C. Coan, 216 Kayser street, likes to remember the time he carried a torch in a campaign parade for Abraham Lincoln's election to the presidency of the United States. Coan observed his 89th birthday anniversary Thursday.

"I was nine years old," Coan recalled, "when I carried a torch for Lincoln. Believe me, those were stirring times. And when Lincoln traveled to Washington, he had to go in a sort of roundabout way because of the hate of many persons."

ROYAL OAK — The Royal Oak city health department closed a truck used for service for more than an hour and a half Thursday night after it skidded into a four-foot ditch on East Grand avenue, Hazel Park, while responding to a false alarm from a box at Grand and Merrill avenues.

The seven-ton truck, which slid into the ditch as it moved around the parked automobile of a "fire fan" driving along of the apparatus, was mired from shortly after 7:34 p. m., when the alarm was sent, until it was towed out after 9:20 p. m.

CLAWSON — Eighty-one letters, emblems and medal awards were presented to Clawson high school Thursday night during the annual award banquet in the Clawson Masonic temple.

Special citizenship medals were given: Dorrine Hamston, commercial; Olive Cooley, activities; John Croesey, citizenship; Harriet Grunbach, history; Dorothy Kuzmich, music; Charles Kruppitz, drama; Monday night, the Alfred A. Smith company, Detroit, in its local play, "The Great Divide," which had a total of \$4,770. Fifteen bills had been submitted.

The next two top holders were the Smith Construction company, of Detroit, with a figure of \$38,747, and the Faxon Brothers, of Richmond, with \$35,740.

Work is already in progress on the strike and outlet sewer, the contract having been awarded some time ago to the R. D. Baker Construction company.

BERKLEY — The 1939-40 Berkley city budget, amounting to \$101,324.65, was passed by the city commission Thursday night in a public hearing in which no objections or comments were offered.

The budget appropriates \$65,504.81 for operating expenses as compared to \$68,355 last year. The appropriation for debt service is \$35,819.84.

Included in the debt service is

Spring Stripes

Helen Parrish of the films wears a striking silk crepe print with wide vertical stripes in shades of dark green, lime, red and white, interspersed with black scroll design. Her sailor hat is of black straw.

\$2,904.25 to meet a judgment obtained by a bondholder in 1938. The balance is for interest on general obligation bonds to meet obligations of bondholders seeking a refunding program.

PLEASANT RIDGE — The enabling act now in state legislature to permit Pleasant Ridge to separate from the Ferndale-Pleasant Ridge school district does not automatically separate the districts. The Pleasant Ridge city commission wants out in a special bulletin to residents of the city.

ROCHESTER — Contract for construction of a sewage disposal plant was awarded by the village board to the Alfred A. Smith company, Detroit, in its local play, "The Great Divide," which had a total of \$4,770. Fifteen bills had been submitted.

The next two top holders were the Smith Construction company, of Detroit, with a figure of \$38,747, and the Faxon Brothers, of Richmond, with \$35,740.

Work is already in progress on the strike and outlet sewer, the contract having been awarded some time ago to the R. D. Baker Construction company.

PONTIAC — Mrs. Gene Keam-Franks of Birmingham was awarded a judgment for \$18,000 in Federal suit against the estate of Charles E. Smith, late of Birmingham, which was decided for the estate by a jury judge George M. Hartrick's division of Circuit Court at 5:30 Friday afternoon. The jurors had deliberated about two hours.

ROYAL OAK — Royal Oak's \$74,000 WPA sewer construction and clearing project has been approved at Washington and placed on the eligible list for operation as soon as funds are available. Congressman George A. Donnelly announced today.

The project application for construction of six combined sewers and one storm sewer and the clearing of another sewer carries an allotment of \$47,535 in Federal funds, mostly to labor.

The city's contribution will be \$17,465 for materials, supervision and equipment hire.

OXFORD — The Township library board has purchased the property at No. 3 Mechanic street with a permanent home for the Oxford library. The location was originally part of the William Gayles farm, and the house will lend itself well to a library. The library will be a memorial to Mrs. H. H. Hovey, who was very much interested in the library and died much to further its growth. Mrs. Hovey's music collection has been given to the library and will be available to the public.

PONTIAC — Claiming he provided the money for bringing over from England to the United States the woman whom his brother later married and that the brother promised to deed him a lot in Oxford Township in compensation, Kendall Capps of Stoney Lake, has brought suit in Circuit Court against Edward W. Capps, Jr., of Detroit, asking specific performance of their alleged agreement. The plaintiff exhibits a letter from the defendant which he says constitutes the contract. He claims that after he had footed the bill for transportation the brother never deeded him the property.

ROYAL OAK — Mrs. Garnet P. Miller, age 45, 2405 Woodland avenue, is in Sunnybrook hospital here, severe lacerations on the scalp and face and multiple body bruises suffered about 2:40 p. m. when she was struck by an automobile on Woodward avenue, at Twelves Mile road, Berkley.

The driver, Holburn Hubbard, age 15, 425 West Ingonia avenue, Pontiac, told Berkley police he was driving south in Woodward avenue across Twelves Mile road with the green light when Mrs. Miller ran in front of a truck and into the path of his car. Hubbard said he tried to stop, but skidded sideways on the wet pavement and struck Mrs. Miller.
