We make a point of faster service, as well as a thorough dry cleaning job. That's one of the reasons we dry clean the modern way—with Dowclene"—solvents developed by science—which makes the old ways seem slow as well as inefficient. Buicks come back again and again to this great automobile when it's time to buy a new car.

There are two reasons for that. One's a money reason, the other's a pleasure reason.

Sticking to Buick means you're sure every year that you're getting top value, and no hunting all over town to find it.

Repeating on Buick means that sea son after season you ride behind the ablest eight of its size in the world the Buick valve-in-head straight-

Now this big strong resilient straight-eight costs less than you think. It's priced lower than a year ago-even below some sixes.

So why not simplify your car-buying for all time - get that smart Buick riding habit now.

In no other way that we know can you make sure of having so much fun. Or of getting so much value for every penny you spend!

Better buy Buick!
