Two Sheep and a Farmer-That Was First County Fair

In most respects, much nike the page of th

from that of 1889. Buralities still make the fair grounds an nanual meeting place; Mrs. Brown's pickles still vie with Mrs. Thompson's; blue ribbons still hang from livestock pens; harness racing is still featured. But today's fair is some spectacle compared to that first order of the still result of the . . .

THERE had been a few Ameri-

THERE had been a few American fairs before. But all of them had conformed to the European pattern—large community sales and bazarrs.

Watson's own little show was the forerunner of the fair as we and even women were excited by curiosity to attend my humble schiblition, he wrote. "The farmers responded to my rewards with approbation."

A former city resident, Watson Hile, His urban ideas led him to an inspiration for an agricultural

sair of today.

society. This was the starting and in his campaign.

But fellow farmers were still isolated, self conscious. They came to gape at Watson's sheep, but feared to display any live-son three years to break down this feeling.

Finally he managed to obtain 26 signatures to a petition for a regression three years to break down this feeling.

Finally he managed to obtain 26 signatures to a petition for a group was for Am agricultural agong years and the president.

group was formed, as president.

The next Pittsfield show with a parade, closed with a parade, closed and the trick if it is a parade, closed with a ball. The procession was headed by 89 oxen, drawing a plow held by the oldest man in the county. Other parade units included a band, a squadron of agricultural society members, a float exhibiting American manufactures.

THIS march stepped up fair enthusiasm. Premiums advanced from \$70 that year to \$208 the next. And Watson started out to sell his idea in other sections.

started out to sell his idea in other sections. Had induced the No. 18 March 18 Marc

TRUTH about ADVERTISING By CHARLES B. ROTH

ADVERTISING'S NO MYSTERY

SOME of us remember well when John Slattery started in business. He couldn't have been over 25 and he had only a few hundred dollars in capital. But he did have a wife and two fine boys. He wanted to make the country of the country

At mrat he would come to us and in work of the would come to us and in work of the work of

He treated us so considerately and

ness grew.

Then he began asking more people to trade with him than he could reach in person. He had to run small advertisements in the newspaper, which he wrote himself after store hours.

As he grew larger he ran larger advertisements, and where in the beginning he had a handful of cus-tomers, now he had several hun-

NO MYSTERY

He continued to advertise in the newspaper. His business continued to grow. He couldn't know all his advays trusted about the house paper you naturally feel you can believe, because you know that a reputable newspaper will not accept advertising from any but honest and relation to the his advertise from any but honest and relation to the his advertise from the his advertisers and customers better service and more for their mohet.

In the his advertisements and becoming his customers better service all melocoming his customers realized it, they were all indebted to the newspaper for its service in bringing to their satisfiance and approximation of their money by publishing more for their money by publishing roomer many and the same way every day, by bringing information of where we can buy most advantageously, by heping us to the control of their money by publishing from and the same way every day, by bringing information of where we can buy most advantageously, by heping us to the control of the c
