

Patriotic Note Evident At Tea Of Lovely Appointments Given By Baldwin P. T. A.

A beautiful bouquet of red, white, and blue flowers, graced the table at the tea given by the Patriotic Tea Association...

The entertainment for the afternoon consisted of a piano solo by Charles Turner, marimba solo by Bill Doney, vocal solo by Jane Brunette, and a trumpet solo by Harold Jones.

Martha Baldwin, a Birmingham student with community interest at heart, devoted several years of her life to awakening the Birmingham people to the need for a new school.

Plans were organized in 1916. The school was to be located in the center of the village, near an auditorium well adapted for any community gathering...

After much planning and discussion, a site was purchased on Maple Avenue and Chester and Martin streets, directly opposite Hill school.

The school was completed in the year 1917, with a total cost of \$249,000, including the school, the site, and necessary equipment.

The school was built in the shape of the letter "L" to allow for further growth.

For this writer's choice of the season, Don upward receives my vote for the excellent all-around game played last week at Fennell.

Working superbly on defense, having a large back line, practically every basket made by Birmingham on offense, it all adds up to one stellar performance.

Coach Whitney now has his own appointment as secretary to accompany him at each game and keep track of all things he says in the heat of the battle.

The purpose of the assembly is mainly to find any unknown talent in Baldwin High School.
