

College Knowledge

By SOPHIE MORE

So it goes . . . It's getting so you can't bump into anyone you know, without hearing about all kinds of goings-on. Far fields are attractive to so many of you that it hardly seems possible that so many kids are still around town to keep the act moving.

Glamor Gal
Still on the plenty-festive note is a dispatch from Michigan State, where the J-Hop, Friday night, has gone into glorious history. The old grapevine systems reports that the place was so filled with glamor girls you couldn't count 'em. And Barbara Sears was right up there among 'em, in toid. Date Herb Dohlie definitely proved his ability to pick 'em by toting her, wouldn't you say?

And Much Activity
In the course of her ramblings, whom did Sophie meet except that budding career girl, Julie Preston? Missy P. is simply full of doings, these days. One night a week is reserved for her, in her college party team in Pontiac. Tuesday evenings will find her at the Community House, folk-dancing. Mary Francis is another folk-dancer of note, and is really an authority on her allemandes and de-cie-dos, or whatever the English equivalent for it can be. Incidentally, Julie's sister, Lucy, and husband Arthur Harver are now back in their home in their brand-new apartment. Art's definitely on the old ladder, and on the way up it. You'll be seeing 'em around, no doubt, because they have the right idea about keeping in touch with Becham.

Valentine Note
Absolute thousands of people mobbed into Detroit Saturday evening, where Jane Freese, know as many Becham kids, was busy announcing her engagement to Louis Smith, whom you also know. No definite date has been set for the BIG DAY, so it's still in line as a pleasant future event. Jane attended U. of M. and later State, where she was an Alpha Phi, winding up her college career at Wayne. Louis is a Wayne alumna too.

Pin-Winner
Another active member has come into town, so let's all join hands and cheer for Alice Painter. The graceful Chi Omega girl, whose job, keeps now and all the State chapter is age. NGKT big thing on the calendar is the formal dinner and dance for the M. S. C. Chi O's. The affair will be held at Lansing's Hotel Olds, on Saturday, Feb. 18. Bather festive winter for Becham's cute how, hey?

Travelers
This business of coming home

for the interval between, terms is getting down to a science, at the hands of Becham's smart students. They fix it so that a few arrive every week, to take the place of those who so far go back. Cynthia Adams is home from Cornell at present for a spot of relaxation before Monday, when the new term starts. There's quite a move-meat about. Sophie hears, to get her to stay over Sunday and then fly back to Ithaca. Flying is nothing in THAT family. Or hadn't you heard about Bud Adams, who'll shortly take off for Africa, along with Franklin Hill, and his family? And off-hand, can you think of any place more exciting than Africa? Sophie can't.

Batter Cakes Will Hit The Spot With Appetites Whetted By Cold Weather

Cooler weather makes appetites keener and nothing is more acceptable than good batter cakes. They may be served for so many informal occasions. Prepare the batter ahead of time, if need be, and as soon as mixed cover and place in the refrigerator. When ready to bake heat the griddle just hot enough to make cold water thrown on it sputter a good deal. Drop the batter by spoonfuls on the griddle, bake 2 or 3 minutes and then turn with a large spatula, continue baking until the second side is brown.

Standard Batter Cakes
1 cup milk
1 1/2 cups flour
2 tablespoons fat
1 egg
2 teaspoons baking powder
1 tablespoon sugar, if desired
1/2 teaspoon salt

Mix and sift the dry ingredients, beat the egg slightly and add to the other liquid ingredients, then stir them gradually into the wet ingredients. Add the melted fat. Bake in a hot griddle, lightly greased, if necessary.

Quick Buckwheat Cakes
1/2 cup flour
1/2 teaspoon baking powder
1/2 teaspoon salt
2 tablespoons sugar
1 1/2 cups buckwheat flour
1 egg buttermilk
1 teaspoon soda
1/4 cup water

Mix and sift the dry ingredients, baking powder, salt and sugar together. Mix with the buckwheat flour. Pour the buttermilk in a bowl. Dissolve soda in the water and add to the buttermilk. Mix and add melted shortening, then the dry

Hairnet Hat

The invisible snood-shaped hairnet, with velvet bows attached carries an air of smartness. Velvet ribbons on the snood attached to the hat appear to be in the hair. The hat is of black "illusion" material.

mixture. Beat until smooth. Bake and serve at once.

Bacon, Pancakes
To the dry ingredients for standard batter cakes, add 1 cup of bacon fried until crisp and cut in small pieces. Finish and bake as usual. Serve with cheese sauce.

Rice Batter Cakes
1 1/2 cups flour
1 1/2 cup cold, cooked rice
1 tablespoon baking powder
1/2 teaspoon salt
1/4 cup sugar
1 1/2 cups milk
1 egg

2 tablespoons melted butter
Mix and sift dry ingredients. Work in rice with a pastry mixer or finger tips. Add egg, milk and butter. Finish and bake as usual.

Raisin Crumb Batter Cakes
Soak 1 cup of soft bread crumbs in water 10 minutes. Press out all water and mix this with one cup sour milk or buttermilk, 1 well beaten egg, 1/2 cup of flour, sifted with 1 teaspoon of baking powder and 1/2 teaspoon salt. Add 2 tablespoons hot-melted shortening, 2 tablespoons sugar and 3/4 cup of seedless raisins, slightly chopped. Bake and serve with butter and syrup.

Apple Batter Cakes
Select tart juicy cooking apples. Pare, core and cut in rather small, thin slices enough of them to give 1 cup. Get ready the ingredients for the standard batter cakes and add apple to the wet ingredients. Add the wet ingredients to the dry and finish as for plain batter cakes. Serve with fruit and sprinkle over cakes thick mixture of a previously prepared mixture of 3 parts sugar and 1 part cinnamon.

Pineapple Batter Cakes
Prepare like standard batter cakes except that instead of 1 cup milk, use 1/4 cup pineapple juice and 3/4 cup of pineapple pulp. Mix these with the beaten egg and melted shortening, then add the combination to the dry ingredients. Place one batter cake on the serving plate and cover generously with pineapple sauce and place over this another cake and sift over the top confectioner's sugar.

For the pineapple sauce, thicken a mixture of 1/2 cup of the pulp with 2 tablespoons of flour. Cook until nicely thickened and serve piping hot.

Creme Suzettes
1 cup milk
2 eggs
1/2 cup flour
1/2 teaspoon salt
1/4 cup powdered sugar
1/2 cup lemon juice
1 teaspoon brandy

Mix dry ingredients, add milk and brandy. Stir until smooth. Add eggs well beaten. Beat well. Cook on small frying pan one at a time. Roll and serve as a dessert with the following sauce:

1/2 cup butter, heat in 1/2 cup powdered sugar, and add cream and juice of 2 tangerines.

Fashion Tips

The new hats being shown for spring are usually one of two kinds—sailors or toques. They are quite feminine with flowers, birds and veils in profusion.

Some of the veils cover the hat and slip through and tie under the chin. Others have the crown finished with a veil or jasmie with straw or lace brims.

Bathing suits for resort wear are also truly feminine and more modest than those of last year. They are of taffeta, satin, moire or gay cottons and are ruffled, tucked, shirred or flaring. Some from a fitted waist. In fact they look like little girls' party dresses.

New prints are in lovely shades with small figures for the most part predominant.

"Tenderloin" is the story of New York twenty-five years ago. Fred Murray will be cast as a policeman. Dorothy Lamour as a night club singer, and Robert Preston as a gambler. . . .
