Today's Sun-Ripened Vegetables Can Make This Winter's Foods More Tasty

These days, while the sun shines and the vegetables are ripening, the wise housekeeper makes pickles, catsup, chili sauce and relish. You'll convert your surplus vegetables into pickles.

Pickle Relish
2 heads cabbage.
8 green peppers.
12 onions.
10 carrots.
Grind through food chopper with the medium knife. Add 1-2 cup salt and let stand 2 hours. Drain very dry. Add 3 pints of vinegar, 6 cups sugar, 1 tablespoon celery seed. Mix well and seal.

Relish
Select large bell peppers, half green and half red. Remove the seed and fibre. Put through the food chopper. Use green tomatoes and onions, measure each after they have been put through the food chopper. Use half as much tomatoes as peppers, half as much onions as tomatoes. Mix well, salt generously. Put in a jar and let drip over night. Next morning put vegetables in a porcelain vessel and cover with sweetened spiced vinegar. To each 1-2 gallon of vinegar put 3 cups of sugar and 1 teaspoon each of cinnamon, allspice, cloves, nutmeg, tumeric, and black pepper. Mix thoroughly by stirring and boil 5 minutes. Fill sterilized jars and seal.

Pimento Sandwich Spread
1 peck red bell peppers.
1 pint vinegar.
1 pint sugar.
4 tablespoons flour (rounded).
1 jar prepared mustard.
1 tablespoon salt.
Remove the white fibre and the seeds from the peppers. Stir all ingredients together except the mustard, cook until thick, about 15 minutes. Put mustard in just before taking it up. Pour into jars and cover with paraffin. This will keep several months. When ready to use mix with grated cheese.

Pepper Hash
2 dozen red bell peppers.
1 quart vinegar.
3 cups sugar.
6 onions.
Remove the white fibre and seed from the peppers and peel the onions. Chop finely, then pour boiling water over them. Let stand 5 minutes and drain. Cook together the vinegar, sugar and salt, add the peppers and onions. Boil up once. Put in sterilized jars and seal closely.

Wash beets thoroughly and cook in clear boiling water until tender. Plunge into cold water and slip the skins off. Make a sweet pickle syrup by boiling together sugar and vinegar in the proportions of 2 cups of sugar to 1 cup vinegar. Place beets in hot syrup and let beets boil a minute or two. Pack with hot liquid and seal.

Tomato Catsup
1 peck of tomatoes.
1-2 gallon vinegar.
3 onions.
1 teaspoon mace.
2 tablespoons cloves.

Chop up all vegetables, add other ingredients and bring to boiling point. Then simmer over low heat for 3 hours. Seal in sterilized jars immediately.

Sane Now
A medical report shows insanity is decreasing. This may be due to the fact that many persons who were considered crazy several years ago, are now able to smile and say, "I told you so."—Life.

Ungallant
"It is my earnest conviction," remarks Mahatma Gandhi, "that no man loses his freedom, except through his own weakness." That may be so, but it seems hardly logical to call her that.—Boston Herald.
