Speaker Traces Progress of Auto Industry in Talk

"What's Under the Hood of Your Automobile" was the interesting and informative topic discussed before Birmingham Rotarians Monday moon at the Comchief metallurgist for the CadillacMotor Company, addressed the
Club. He was introduced by Rotarian John B. Dailey, who, more
than 20 years Motors comparable to that now held by Charles F.
Kettering,
Mr. Danse told about the progess the automotive industry has

ble to that now held by Charles F. Kettering.

Mr. Danse told about the progess the automotive industry has more as the state of the st
