Electricity brings speed and

to cooking!

Snap the switch . . . and instantly a flood of heat glows from the surface unit of your electric range. Food starts cooking at once. This is not ordinary

heat: It is pure refined heat—with all the smoke and soot removed in a powerhouse miles away—heat as clean as sunlight, delivered to your kitchen

as smlight, delivered to your kitchen by wire. This is heat accurately controlled to eliminate guesswork. Snap the switch to various positions and you have a definite, EXACT AMOUNT of heat, suited to all cooking needs. It never varies: You get the same successful cooking results time after time. The new electric ranges are a revelation in cooking ease and simplicity . . . see them at your dealer's today. The Detroit Edison Company.
