# English Country Estate

## IN BLOOMFIELD HILLS

An out of town owner has asked us to liquidate his Bloomfield ceal estate. Here is a real oppor-tunity, for some Birmingham family to own a highly desirable estate in Bloomfield Hills where a former owner has taken all the depreciation.

This beautiful estate is located on an acre and a quarter of highly landscaped grounds. Its proximity to Cranbrook School, the Country Clubs and Bloomfield social activity makes its location of great importance to its future owner.

The house was built to endure the ages-solid masonry con-struction-slate roof. Finely executed English architectural details predominate the exterior and interior. All rooms are of generous sizes.

### Price reduced to \$28,000 Low heating cost . . low taxes

Serious minded homeseekers, anxious to move to Bloomfield at a real price advantage, should call us for full details.

The house is vacant and may be shown any time.
