YOU WANT! RECENTLY, WE ASKED three thousand people what they value most in a motor car. More than sixty per cent of them replied with one word— PERFORMANCE"! And there you have the reason for LaSalle's grat popularity. It out-performs its entire price field—by a wide margin. And why shouldn't it? It's the only car of its price that's powered by a Cadillae engine. And if you want to know what that means—try it! Get a LaSalle demonstration today,
