Team Mates Honor Charles Stanley Preceding his departure for a long stay in Arizona, Charles Stanley was honored at a ceremony by the basketball team at Adams Junior High School.

Sheep, Beware! He's a Villain!

Suave, enticing Billie Borgia, native of Mexico, may be a handsome gao Ana, but he's a Judas! Billie is pictured in the Union Stockyards at Los Angeles where he has led two million sheep to slaughter.

Grace Moore, American singer who courted to the Duchess of Windsor: "I certainly do consider the Duchess as royalty." H. G. Wells, British author: "Social forces are being ruled by individuals—Germany by Hitler, who is a certified lunatic, and in Italy by Mussolini, who is a renegade to social democracy."

Scarecrow Problem The old-fashioned scarecrow of the farm is disappearing before the newer device of shining pieces of metal. An American scientist says the best scarecrow is an instrument that emits a noise like a shotgun. But when these days are automobile conscious and so may mistake the noise for a motor backfire and keep on stealing the grain.—Montreal Gazette.

Future of Civilization A British scientist produced sugar chemically, suggesting the possibility of making all food-stuffs in factories. Then we would all live in cities and use the country to park our cars.—New Yorker. Wastage And Bath Water Drought is blamed for the present position, but one member of the board said it was partly due to wastage. "Working people," he said, "should have their own right instead of one a week while the emergency exists."—London Daily Mirror. Who? A woman's class is making much of the fact that recently compiled statistics show that men get mad an average of six times a week, and women only three. Yet, who makes the women mad?—Atlanta Constitution.
