BALDWIN HI-LIGHTS

Cagers - we salute you (I, Anne and my fellow-students), Line up, men, for some ice berry congratulations! OUR COAL "TALKS"

We depend on our coal to tell its own story of quality and service. If our patrons who use our coal day after day and season after season are felt pleased and recommend it to their neighbors and friends, it matters little what we may say.

The third period found Birmingham a cooler and better organized team. The boys passed and dribbled through their opponents to chalk up 14 points against but three for Plymouth. This gave the Birmingham team an eight point lead at 32-24.

But in the next quarter the out-of-town cagers applied all of their skill and in eight minutes had tied the score at 32 all.

ARE YOU LISTENING?

The final word must be spoken by the coal itself. The user who tells his next-door neighbor how good Lawson's coal proves to be in actual service is our best advertiser. Lawson's coal "talks"—and its message is—

From then on until the end of the quarter the game was more thrilling than any other of the season. Birmingham gained two points, and Plymouth caught up and passed the local lads in the next minute.

With three minutes left to play the score was tied at 39-39.
