By SOPHIE MORE

Oh Yeah?

Clutch your bonnets firmly, with both hands, kiddies. All these March winds have stirred up such a flurry of activity that Sophie simply HAS to tell you what she knows or go MAD. And there'd be absolutely no profit in that, with all the fun and frolic going on.

Travel-Talk
First of all, let it be understood that you needn't choose any time around the first of next month to go looking for Barbara Sears, on account of you'd be the April Fool if you did. THAT young lady is hieing herself off to Lawrence, Kan., in her capacity as vice-president of Associated Women Students at State, and chairman of the judiciary board. In Kansas, she'll attend no less than the national A. W. S. convention!!! Marian Patch of East Lansing, whom many of you know, is president of the State organization, so she'll be going with Barb. And the delegates are in for a large lot of FUN after the convention is over, 'tis rumored.

Out-of-town bulletins, always thrilling, are particularly so this week. Way down in Culver, Ind., two of our local lads are atgity the "THING" at the famous military academy. Bill Hartman, pride of the senior class, has just been promoted to the rank of corporal in the noted Black Horse troop, than which there is nothing more thrilling. Of course the business about all Troopers being excellent riders etc. is of general knowledge—but just THINK of the honor coming to a Beaumont Premier!!! Bill is also on the staff of The Vedette, the cadet weekly, and has taken an active interest in other school projects. And that's not ALL. Royall Frye was honored recently when he received the silver "A." He's another mighty senior, and he won the big attention for his academic achievement during the semester just completed.

Budding Bernhardt
And now, the drama beckons. And off we whisk to Alma College, for a bit of chatter about one of the smartest '39 freshmen there. Of COURSE we mean Betty Dick, on account of she's just been cast in the next play on Alma's schedule, "Call It A Day." Taking right after her talented parents, Mr. and Mrs. Harold A. Dick, our blonde friend is achieving the next-to-impossible by breaking right into the BIG dramatic ranks while she is still a freshman. Good stuff, hey?

Honors Man
And even now, the bag of tricks isn't empty. Ya know, definitely one of the key figures at Cornell is your pal Winthrop Allen. Among other things, he now holds the office of house manager of that noble fraternity, Pi Kappa Alpha. He and his three fellow officers were just recently elected, so of course congratulations are still very much in order.

Still Going Up
Wellesley College and one of its fairest sophomores—a Beaumont girl of COURSE—are still very much in the headlines. In other words, Nancy Strelinger is still doing wonderful things. One of the highest honors which can come to a sophomore has just been bestowed upon Nancy, with the announcement that she will be a Village Junior next year. In this capacity, she will advise next fall's freshmen, particularly those who live in Eliot House, one of the largest freshmen dormitories. What's MORE, when they chose the cast for a gigantic dance spectacle, "Fighting the Waves," Nancy had an elegant part. Written by William Butler Yeats, the performance was held over the week-end, as a climax to the opening of the new swimming pool and Recreation Building.

whip down to Roosevelt Academy at Alton, Ill., to congratulate two outstanding kaydets. Cadet Sergeant Allen Peterson (son of the V. W. Petersons of Bates street) was especially cited at a recent assembly. He received decorations for being outstanding in FOUR activities: cooperation about regulations; varsity basketball; bronze efficiency stars for achievement; and membership in The Crack Squad. 16 of the very BEST drilled cadets and their leader, make up the Squad. They are in great demand at colleges, Officers' Reserve Corps festivities, etc. And of course it's a great honor to belong. Allen ALSO got a medal at the Midwest Indoor Meet at Hoonah, Mo., for outstanding shooting! From a prone position, he scored 99 out of a possible 100. So did THAT! As for Cadet Harry Keller, son of the Harry R. Kellers of West Lincoln road, he was cited as outstanding in meeting regulations, and decorated the same. And since it's only his first year, that's doing pretty well, wouldn't you say?

Light Op'ry
The week-end was a phenomenal success at Stuart Hall, Staunton, Va., where our blonkie friend, Mary Jane Haxtreiter, is schooling it. Seems the more talented students laid their heads together and decided to give "The Mikado," (Gilbert and Sullivan classic, which you did, on Saturday night, and you'd NEVER guess who was a member of the noble's chorus. That's right, 'twas Junie. And it is rumored that she did Beaumont proud.

Fashion Tips
Patent leather bids fair to lead fashion for the spring shoes.
A new number is the spat top shoe which is ankle high and has tops of suede or gabardine with the lower part of patent or calf.
The newer materials are made to stretch.
Most of the newer shoes have open toes and heels.
Pumps are very good—some of them have a strap effect over the toes.
Platform soles are still worn but are narrower.
The best colors are black and the new reddish tan, known by a number of new names.

A Little Ingenuity In Familiar Dishes Will Relieve Food Boredom In Your Home
No matter how much we like to cook, it becomes tiresome at times when we have to prepare three square meals a day. It is then that we turn to something new; if it isn't new foods, we can at least try serving the old ones in a new way. The use of your extra cooking appliances, the toaster and waffle iron. There are several varieties of savory sandwiches which when toasted seem much more of a meal than just a plain sandwich. Try serving them in hot trays or sauce. Try to make your food interesting, give every dish you prepare a little personal touch.

Spaghetti and Ham Souffle

1 cup diced ham
4 tablespoons butter
2 tablespoons flour
1/2 cup tomato soup
2 eggs
Cook the flour and butter 'til cheesy, add the tomato soup. When thick remove from the fire, add the spaghetti, ham and beaten egg yolks. Add in the stiffly beaten egg whites. Bake in an oven 350 degrees for 30 to 40 minutes. Serve with a sauce made from additional soup.

Hot Biscuit Chicken Sandwich
6 tablespoons mayonnaise
1/2 cup pickles finely chopped
1/2 cup cold chicken, diced
12 baking powder biscuits
Blend together the mayonnaise, chopped pickle and the chicken. Spread the mixture between baking powder biscuits, split and buttered while hot. Serve while the biscuits are hot. Garnish with stuffed olives in crisp lettuce leaves.

Hot Baked Cheese Sandwich
12 slices of bread
3 pound American cheese
3 eggs
3 cups milk
2 tablespoons shortening
4 tablespoons flour
1 teaspoon salt—pepper
Trim the bread and toast it. Make a cream sauce of the last five ingredients, cool slightly and add the beaten eggs. Lay half of the toast in a shallow baking dish or pan with half the cheese sliced thin on top. Pour over this the milk and egg mixture and cover with the remaining toast and cheese. Press the toast down into the egg mixture until the edges are submerged but not the cheese. Set the pan in hot water and bake in an oven 325 degrees until the cheese is melted and the egg mix-

Netherlands To Be Shown In Films
Mrs. Virginia P. Delgado, granddaughter of the first American Minister to the Court of Austria Hungary, will give two travel talks with motion pictures in Detroit on the beauties of The Netherlands the forthcoming week. Tuesday evening, Mrs. Delgado will speak at 8 p. m. in the Italian room of the Book Cadillac Hotel, and on Wednesday at 2 p. m. in the J. L. Hudson auditorium. Both talks will be open to the public without admission.
Mrs. Delgado has been a resident of The Netherlands for 15 years, and many of her films are from pictures taken by herself, based upon her intimate knowledge of the country. She is also honorary secretary of the Netherlands America League in The Netherlands.
At the afternoon lecture, Dr. Wynand Wichers, president of Hope College of Holland, Mich., will speak on the New Netherlands Museum.

Oriental Restraint
When we are engaged in a death grapple with a dastardly neighbor, whoever comes along and helps that neighbor catch a peace-loving mediator, according to the European notion, Decency prevents us saying what we call him—Tokyo Japan Times Weekly.
