### IN MEMORIAM

IN LOVING memory of our dear daughter, Mrs. Maude Stephens Curtis. Eight years have passed March 31 since she left us to be with her blessed Savior for ever more. We know that her soul went down to the love their Savior, Jesus Christ. She is not dead. Her soul went down to the top on another shore and right in Heaven's own heavenly choir it shines forever more. Mother, Father, Sisters and Brothers.

## What Your City Commission Is Doing—

March 27, 1939

Bills were approved in an amount of \$1,488,255.

A committee from the Quarten P. T. A. requested that some consideration be given to improving that neighborhood, requesting specifically that sidewalks be constructed on the south side of Maple, a lane be marked off on Oak Street for use of bicycles, and that a traffic officer be placed on duty during the hours children are going to and from school. Tentative approval was given to the suggestions, and the commission indicated that proper investigation and study would be made of the problem.

Alice Upward was appointed deputy treasurer for a period of one month, beginning March 27th, 1939.

A method of assessment for street improvement was approved. The manager was instructed to prepare preliminary plans for Assessment Districts in the vicinity of Kenmore and Mohrman, and Pembroke Manor and East Maple Gardens.

Election boards for the April 3rd election were approved.
