## ANGNA ENTERS WILL CLOSE HALL SERIES

Angna Enters will close the Detroit Town Hall series in the Fisher Theatre next Wednesday, March 16, at 11 a. m.

Celebrated on the stage, Miss Enters is almost as well known as an artist. Her Detroit visit will be interesting because the Detroit Art institute is sponsoring a two weeks' exhibition of her paintings and sketches at Russell A. Alger House, Grosse Pointe, opening March 15, the day of her Town Hall performance.

## What Your City Commission Is Doing—

**March 6, 1939**

Bills were approved in an amount of $20,619.63, including a payroll for the two week period ending February 28th of $6,160.44.

A hearing was held on an amendment to the zoning ordinance, regulating bill boards and signs. A tentative ordinance was submitted and after a number of comments and suggestions from persons interested in the ordinance, the hearing was continued until March 20.

A letter was received from Mr. and Mrs. Patchett, 656 Bloomfield Court, commending the Fire Department for its excellent work in extinguishing a blaze recently, without damage to furniture.

The manager submitted his recommendation on a road oil program for 1939, and was instructed to proceed with his plan, which will be similar to the 1938 construction.

IRENE E. HANLEY
City Clerk

**WE HEARD IT SAID BY—**

**H. Ross Mack**, chairman of the committee to raise funds for uniforms for the Baldwin high school band: "As you undoubtedly know by now our effort to raise funds for uniforms for the Baldwin high school band has been successful. I want to say that we feel that no small part of the success of this effort is due to the fine cooperation of The Birmingham Eccentric. You have had us on the front page of every issue since our drive started, so our experience has been that everybody knew about the drive wherever we went, and we did not have to explain what we were after, and that, you can be sure, is a great help. We thoroughly appreciate your cooperation."

"Substance" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, March 12.

The Golden Text (Proverbs 3:9) is: "Honour the Lord with thy substance, and with the first fruits of all thine increase."

Among the Bible citations is this passage (Deuteronomy 33:27): "The eternal God is thy refuge, and underneath are the everlasting arms."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 253): "All substance, intelligence, wisdom, being, immortality, power, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love."
