Baldwin Defeats St. Mary's 2 to 1, in Springdale Game

Ted Snyder's sharp single over the bases landed in the last inning spelled defeat for St. Mary's of Orchard Lake last Friday at Springdale, Birmingham.

Wenzell allowed but four hits while his mates collected ten very scattered ones although four of them were bunched in that disastrous seventh inning. He walked four, hit one, and struck out ten. His only difficulty was his wildness in the fourth, fifth, and sixth innings. Only four of the seventeen balls that St. Mary's connected with went out of the infield. Not a Birmingham outfielder made a put out. Not that they were such bad fielders; the balls just weren't hit there to field.

It looked black for Birmingham when St. Mary's scored a run in the fourth inning on an infield single, an error, and some good base running. Sendzick led off with a single. Attempting to steal second, he got all the way to third when Snyder's low throw got away from Sendzick. Starting with the pitch, he scored standing up when the next batter hit a very slow roller to first. Although the next two batters got on, filling the bases, Wenzell then struck out the side.

Birmingham threatened to score in the second, fourth, fifth, and sixth, but the golden opportunity was lost each time. In the seventh, Neely, pinch hitting for Mack, grounded to third and was thrown out by a few steps. Wenzell pitched a drive that looked like a two bagger, but some very fast fielding held it to a single. He stole second, went to third on a wild pitch and scored when Rondeau popped one into short left which dropped for a single.

Kirby grounded to short but was safe when the shortstop threw high. Kennedy lined out, hit over second, filling the bases. Snyder stepped to the plate, looked at single over third, Rondeau romping home with the winning run.

Pontiac Thinclads Win Major Events In Track Meet Friday on Pierce Field

Dominating by a wide margin all events except the hurdles, half mile, and pole vault, Pontiac high school track team, winning by a 64 5/8-39 1/6 count, at Pierce field Friday afternoon.

Tommy Allen, of Birmingham, captured both the high and low hurdles, while Frank Armstrong, also of Birmingham, placed second to Allen. Both made good time considering the high wind that prevailed.

Jim Herbst ran the outstanding race of the day in winning the half mile. Although the time was slow for a first 440, Herbst pulled up from third place with 30 yards to go, to pass the leaders and win by about 12 feet. The time was 2:19.3. Earlier in the meet he placed second in the shot put.

The other first place taken by Birmingham was in the pole vault which Pilkington won at the height of 9 feet 4 inches. Pilkington is a sophomore and shows much promise for the future.

Another sophomore who was prominent was Dick Gilbert who grabbed a third and two seconds in the 100 yard dash, the 220 yard dash, and the broad jump, respectively.

Gilbert was especially impressive in the broad jump, in which he landed 19 feet 3 inches from the take off, just one inch behind the mark of Edwards of Pontiac who was the victor.

In the mile run Harold took a third, but as he later said, he was out of running too fast in the early stages of the grind. With more experience Harold should be a confident winner by the time the state meets are run.

Pontiac made a clean sweep of the 440 yard run, and also won the relay by a good margin.

Due to the sogriency of the track all of the times were slow, and a record of the race was entered for various reasons. However, the new track will undoubtedly be in good condition for the official opening tomorrow afternoon, as the local boys take on Hazel Park high school.

The dedication is scheduled for three o'clock, with the meet directly afterwards.

Following is a summary of the Maple Leaf-Pontiac meet.

Baldwin Net Team Wins 3 Matches in Row at Cranbrook

The Birmingham tennis team came through for the third match in a row at Cranbrook last Tuesday by whipping the Cranbrook net team 4-2.

For the second time in the history of tennis competition between the two schools, Baldwin won.

Bill Spinning lost his first match this season to Hitchcock 4-6, 4-6 in a smashing game of skilled net work.

Stutte, Baldwin's number two man, proved his consistency by taking Bush 7-6, 6-0, and 6-3.

Because of lack of time, Sevin had only one set to decide his match. He took this from Nissle 10-8.

Pearall and Platt played a smashing game with Brown and Warren but the latter's serve proved to be the winning point of the match, 6-3, 3-6, 6-0.

Beggs and Allen played a very lax game but took their match 9-7 from Strelinger and Muzzy. There was only one set played because of time.

The number three doubles were taken by Sarnoski and Pearce, Birmingham from Erb and Summerfield 6-2, 7-5.

Hills Seniors Hold Spring Dance In School Library

The senior high school students at the Bloomfield Hills School held their annual spring party Saturday night. The dance was held in the school library, christened for the evening "The Century Room."

Unusual decorations, added to the striking lighting effects, gave the room a most attractive appearance. This, combined with the cheery fire in the fireplace, high top no smoking floor, and music by Bill Gail and his orchestra, provided the Hills young people with the season's most enjoyable evening.

William Ewald was general chairman, while others responsible for the success of the party were Jean Day, Anne Nichols, Barbara Booth, Robert Floyd, Gordon Craig, Gordon Northrup, Jacqueline Bell, Betty Sieger, Anne Phillips, Esther Farr, William Brewster, and Richard Yeates. Chaparons were Mr. and Mrs. Warren S. Booth, Kenneth Ollis, Miss Emma Smith and Mr. and Mrs. William Shunck.

Baldwin Pupils Print Programs For School Events

For the first time the journalism and printing classes of Baldwin high school have undertaken compiling and printing programs for the different school activities.

The job has been turned over to these two classes because it will provide opportunity for a practical application of their studies.

Their first attempt, the program for the basketball game, proved to be a successful one. It was under the direction of Warner Forsyth, the south was justified in succeeding from the Union" was ably defended by Wendell Twesell, chairman of the affirmative; Jane Thomas and Rea Trimmer.

The teams were evenly matched. High honors went to the rebuttal speakers, Rea Trimmer for the affirmative and Kenneth Willis for the negative, who both showed much preparation and used interesting deliveries. Both are members of the Debate Club, J. W. Jenkin, adviser.

The second is for the operaetta "H. M. S. Pinafore" which is to be held May 12. Margaret Carey is chairman of the program with Doris Franklin and Clara Phelps assisting her.

In each case the journalism students putting out the program receive material from the persons sponsoring the activity. The Basketball was under the direction of Mr. Carl Darling, while the Pierce track dedication was planned by Franklin Whitney, and the operaetta by Victor Karch.

The journalism class hopes to continue making these programs for the experience in planning copy and preparing it for the printer. The printing students set the type and do the press work under the direction of August Schlumpf, instructor. Very good results are expected in this co-operative project.

Speaker Wins Debate Decision On His Rebuttal

An excellent rebuttal by Kenneth Willis won a debate for the negative in Miss Elizabeth Hassell's fourth hour American history class last week.

The decision of the judges, Jane Gibbons, Bob Bliss and George Ford, gave the victory to the negative, Edwin Wolfe, chairman; Mary Jane Wiley and Kenneth Willis. However, the question "The south was justified in succeeding from the Union" was ably defended by Wendell Twesell, chairman of the affirmative; Jane Thomas and Rea Trimmer.
