Mr. and Mrs. Joseph Hoople, of Ann street, received word Wednesday that their daughter, Miss Virginia Hoople, who now resides in St. Petersburg, Fla., distinguished herself as a fisherman last Thursday, when she caught a 120-pound tarpon and a 20-pound kingfish.

Attorney Carl Pelton injected a bit of humor into the trial of the Heights water case Monday when he inquired how much water the Birmingham Golf Club used. "Only for drinking purposes," was the answer; "not for sprinkling," Pelton then added. "Not here in the club I can't

say whether they drink much water or not?" Monday night, Mayor Grady took care to see that their story was properly conveyed to Commissioner Wilmer E. Moody, loyal member of the B'ham club.

Recognizing the fact that nuts in shells are fresher, Sires purchased a machine which they say will crack all nuts at the rate of one pound every 20 seconds. A display will be in evidence at the West Maple avenue store this week-end.
