Maples, Wayne Deadlocked 6-6 BY JACK PEARCE

Battling to a 6-6 deadlock against the Hill Country team Saturday at Pierce Field, the Maroons managed to retain a grip on the top rung of the ladder by sharing the league leadership with Ecorse, also tied by Wayne 0-0 in an earlier game this season.

A scoreless first quarter, which was featured by a fine punting exhibition by Carico of Wayne and Wenzell of Birmingham, saw the Maroons recover a Wayne fumble on the Wayne 30. But the recovery proved of no avail when Birmingham fumbled on the next play.

On the next play the score was tied up on a smash by Hoath. The game continued in a similar fashion until the Hill Country team blocked Harton's try to convert.

With no serious scoring threats in the three quarters, the game was decided through a hole in the Wayne line for 23 yards, to Wayne's 49, in the final play.

A 12 yard pass from Gowans to Wenzell, put the ball on the Wayne 33 yard marker, but the Maroons failed to penetrate the Wayne line on three plays, followed by a punt by Wenzell, which was downed on Wayne's one yard line.

Carico was forced to punt from deep in the end zone, this resulting in a hurried kick to Wayne's 22. Again Wayne held Birmingham for no gain, this time on four downs.

On this point Wayne had used the same lineup that started the game, but Post was sent into the Wayne backfield because of his ability as a fast, tricky ball carrier.

This proved a smart step when the little speedster came from nowhere to intercept a Birmingham pass and run it back to the Maroons' yard line.

Hills Girls Divide Hockey Games with Grosse Pointe Teams

The Junior and senior girls field hockey teams at the Bloomfield Hills School opened their home schedule with one loss and one win.

The Junior girls' team, coached by Mrs. J. W. Hill, won their game from Grosse Pointe were victorious in the first game by a score of 6-0.

The senior girls' team, coached by Mrs. J. W. Hill, won their game from Grosse Pointe were victorious in the first game by a score of 6-0.

Outstanding was the defensive play of Anne Nichols, Jean Day, and the other Parsons of the Hills School.

Apparently Olie Olson is scoring in more than one field.

Following intermission a whole gang of cheerleaders from the Hills School were in for a time after a progressive dinner.

Another one of those hazrads which had a everyone had a mellow time started the week-end off right, topped by a ra-ousing good time at the dance which followed the night.

The football team came through with a tie, with their good day of fighting spirit, next game ought to be a victory. (See you there! So long now, I remain, yours for that long Ecorse Caravan.

Council Plans Day of Prayer

The Birmingham Council of Churches is holding a day of Prayer Service in the Methodist Church on Armistice Day, Saturday, Nov. 11, from 9 a. m. to 5 p. m.

The Council, representing the six Protestant churches of the community, is calling this prayer service because it is the feeling of its members that Christians are responsible for the failure of man to find and use a substitute for war.

Some of the best blocking of the season was performed on Scotty Gowans' 55-yard touchdown run. Three or four times it looked as if it would be blocked, but the well-timed blocks removed these threats.

There were several outstanding performers for Birmingham in the Wayne contest. In the line Lawrence Colgrove, Ted Snyder, and Rymie McBride showed up well, as did Bob Eade, Ken Kirby and Scotty Gowans.

There were plenty of alumni back from college to see the Birmingham- Wayne game. Among them were Bob Howell, Warren Dalley, Art Underwood, Bill Colburn, Dick Bedard, Norman Lyle, Bill Hughes and Bob Eade.

The game at Ecorse next week is of utmost importance to Birmingham as it will decide the championship of the Twin Valley League. So let's see all of you loyal Maroon rosters at Ecorse next week.

Sports Showup BY JACK RIGDEN

Although Birmingham's string of victories has been broken by the tie with Wayne, the team still has a good chance for the Twin Valley league championship which will be decided next week when the team meets Ecorse on the latter's home field.

Wayne had two players who were Gowans' main trouble in the game. Horton, Wayne right halfback, was one of the best line players seen around here for quite a while and Carico, Wayne left end, got off some very long punts.

Some of the best blocking of the season was performed on Scotty Gowans' 55-yard touchdown run. Three or four times it looked as if it would be blocked, but the well-timed blocks removed these threats.

SCOTT NEWS BOY SCOUTS OF AMERICA

Loss Valuable Leader

This week Scouting in Birmingham loses one of its most outstanding, if not the most outstanding Scoutmaster, when Leroy Weier is moved out of town.

Some time after that when it seemed that the infant B-2 was about to die in its infancy for lack of someone to lead it, he volunteered for the job, and built B-2 into the finest troop in the Birmingham area.

Mr. Weier is not lost to Scouting, however, for he plans to keep right on with it up by Hubbard Lake, where he is moving. So Birmingham loses one of its first Scoutmasters, but Hubbard Lake gains in proportion; proving again the old one about the ill wind.

B-5's Fightful Five routed the baseball of B-1 to the tune of 11-5 last Thursday night in a game characterized by open passing and the four score on a winning team. We hope to have a mile-long caravan!

Probably you're a big shot already to someone, so you know something of how good it feels.

What we mean is, how'd you like to feel like you used to think a big shot must feel, cruising along in his big brawny Buick, envy of every youngster in town?

Fact is, a big brawny Buick—this year's beauty of a Buick—is within your reach right now, if you just put your mind to it.

Going to Camp George

Troop B-2, depleted in numbers as a result of the formation of the new B-1 in Troy, but still great in spirit, is going to Camp George this next week end.

The Director of Conservation, having done relative to deer in the area, has recommended a closed season. THEREFORE, the Conservation Commission, by authority of Act 236, P. A. 1925, hereby orders that for the period of two years from November 15, 1939, it shall be unlawful to hunt, pursue, or kill any deer.
