### Where's Elmer??

Last year's graduates at the Bloomfield Hills College are now attending 12 colleges and universities in the Middle West and East.

John Palms has started work at Cornell, Richard Shepherd at Williams and Mary, Marjorie White at Denison, Betsy Smith at Pontiac Business College, Mary Grubbs at Hanover, William Bracker at Emmanuel Missionary, Muriel Parsons at Western State Teachers' College, Robert Lee at Antioch, Nancy Day at Bradford Junior College, Susan Hartman at National Park College, and Richard Flannery is enrolled at Notre Dame.

As reports begin to come back from these recent graduates of the Hills College, it appears that all are off to a busy start. Richard Flannery is playing freshman football at Notre Dame while Robert Tyson is not only on the freshman football team but has obtained through competitive examination a position on the school paper staff. Word from Yellow Spring brings information that Robert Luce in addition to working in the composing room of the Antioch College paper is captain of a freshman football team. Information about other graduates show similar activity.

### Grades 10-12 Seek Uniform Activities

A special meeting of class advisers was called Thursday morning, Oct. 5, by Ray H. Bechtold, Baldwin principal, for the purpose of planning a uniform schedule for the grades ranging from 10 B throughout the 12 A, during homeroom period Wednesdays. Each half grade was represented by one teacher, Mrs. Adele Halladay representing the 10 B's; Miss Ruth Hull, 10 A's; Miss Lucille Dewar, 11 B's; Miss Vida McGiffin, 11 A's; Miss Dorothy Allen, 12 B's; and Mrs. Carol Barring, 12 A's.

The representatives will discuss various activities with other teachers of the grade they represent and get some definite idea of what should be done Wednesdays during homeroom period.

Their plans are to be submitted at a meeting to be held Tuesday, Oct. 10.

### Halloween Dance Plans Developing

Plans for the annual Halloween dance to be given Tuesday, Oct. 31, at the Community House, are well under way, it was announced by Shirley Busby, general chairman.

The decorations are the work of a committee under the direction of Annette Stanley, Dick Harvey, and Shirley Busby.

Among other things, Oakland Hills Country Club is furnishing a six-foot jack-o-lantern which will be placed back of the orchestra.

Jean Houff and John Bathgate have planned a surprise floor show with Jack Dunn, master of ceremonies. Ted Johnston will supervise the sound effects.

Music will be by Bob Kendall and his Sultans of Swing.

Other people working on the committee are Clifford Harvey, Sue Averill, Bill Roberts, and Bill Baldwin.

### Art Department Gets New Pottery Wheel

New and welcome equipment to Baldwin High School's art department are the electric pottery wheel and kiln which were purchased by the school and installed last week in the classroom in Hill School building.

So the art department plans to annex the adjoining room as a crafts room into which the new pottery equipment and block print press will be moved. This new room will be for the use of those who are doing work in clay, linoleum blocks, and miscellaneous crafts.

At present the art class, under the instruction of Miss Joy Stowers, is engaged in making posters for the Halloween Jamboree.

### Swing Minstrel Will Be Staged At Baldwin High

The Swing Minstrel, an entirely new kind of show, will be given at Baldwin High School Thursday and Friday nights, Nov. 16 and 17, under the general direction of Miss Ruth Hull, dramatics coach.

Combining the whole school, Miss Hull has been selecting the best talent during the week to take part in this unusual production.

It is not to be the traditional minstrel show such as previous Washington groups have given. However, it will resemble a minstrel having a chorus, four end men, and an interlocutor or master of ceremonies on the stage during the acts.

The Washington group is sponsoring the show to raise money for its annual visit to the capital.

Assisting Miss Hull are Eugene Hubbard in charge of business and advertising; Miss Eleanor Miller, costumes; Miss Nina Kitts and Miss Marion Kirk, dances; and Victor Ulrich, music.

Many former Baldwin productions under the directions of Miss Hull have been very successful, the most recent being the school play last year, "You Can't Take It With You." Other works are "Growing Pains," "Thank You, Doctor," "Tiger House," "Oh, Kay," and "Green Stockings."

### Gordon Eis Wins Scholarship At Oberlin College

A scholarship was won in music at Oberlin College by Gordon Eis, Baldwin High School senior, through an examination given there last Friday and Saturday.

It was announced Tuesday by Curtis Anderson, assistant director of the college, a classmate, Ed Platt, placed among the first 25 in history.

Eis won a first place in piano.

Others who took examinations were Peggy Hadjisky in French and Marion Kirk in English. Accompanying group were Miss Lucille Dewar, Baldwin Latin instructor, Carolyn Wright, and her father, an alumnus of Oberlin.

All students contesting for scholarship were members of the college for lunch and the Oberlin-Rochester football game Friday afternoon.

### Sports Showup

By JACK RIGDEN

Between the halves of the Lincoln Park game there were two junior high school races. The quarter mile was won by Don Badgley, of Barnum, on a great stretch run. Barnum also won the half mile easily.

To most people 13 is an unlucky number, but to Birmingham it is just the reverse. In each game the Maroons have scored 13 points. They have scored 39 points to 12 for the opposition.

People you probably never noticed: Dick Harrel, Ted Corson, and Russ Fisher working on the chain, and Jim Longwell and John Pilkington taking care of the scoreboard. The biggest smile of the week belongs to Coach Warster when Birmingham scored its second touchdown Friday.

The Lincoln Park team outweighed Birmingham by four pounds. The average weight of the team is 166 pounds. This is a twelve pound increase over the last year when Baldwin was represented by her smallest team in history.

Six-man football seems to be popular among Baldwin boys. There are now three teams scheduling weekend games.

This week Birmingham plays Ferndale at Pierce field. This game is the first Saturday game of the season. Saturday games start at 2 o'clock.

Those Birmingham fans at the Michigan-Michigan State game got a surprise when Herbie Moore, who graduated from Baldwin last June, appeared as a Michigan cheerleader.

### Baldwin Eleven Will Meet Strong Ferndale Squad

Lincoln High School of Ferndale will meet the Baldwin "Skull Crushers" at Pierce field this Saturday at 2 p. m.

Of the three games which Ferndale has played this season, Ferndale versus Wyandotte, Port Huron, and Berkley, the scores were respectively 25 to 0 in favor of Wyandotte; 6-0 and 12-0 in favor of Ferndale.

Ferndale has two letter men, William Payne, playing right end, and William Hames, vice captain.

Coach Gus Hansen has no definite lineup for the Birmingham-Ferndale game, but intends to give all of his players a chance during the football season.

Coach Hansen is not certain that Ferndale will win but says it will be a tough battle.

George Wenzel, Baldwin's football coach, will keep the Birmingham lineup as it was in the Lincoln Park-Michigan game. It was as follows:

Right end, Ted Snyder; right tackle, Lawrence Colgrover; right guard, James Bennett; center, Raymond McBride; left guard, Robert McCullough; right halfback, Heribst; left end, Richard Neely; quarterback, Horace Cole; fullback, Gene McCullough; right halfback, Clark Pardee; left halfback, Richard Wenzel.

### Students to Beautify Hill School Grounds

An effort to beautify the Hill School property is being made by a group of boys and girls.

This is a practical application of carrying out certain principles concerning plants learned in biology. For more information on this project the group will receive extra credit in the course.

The boys have the plants to start with, and donations from townspeople with extra shrubbery will be accepted.

### YOU'RE NEVER BEHIND THE 'B-BALL' IF YOU CONSULT THE YELLOW PAGES OF THE TELEPHONE DIRECTORY FOR 'WHERE-TO-BUY-IT' INFORMATION

There are many things you can do in the yellow pages of the telephone directory. For example, you can find out where to buy a new telephone, or where to get a new telephone number. You can also find out where to buy a new telephone set, or where to get a new telephone line.
