Michigan's Governor Sends His Congratulations

Hon. John E. Murt, Birmingham, Michigan

Dear Mr. Mayor:

Permit me to congratulate the people of Birmingham and the city officials for their splendid work in organizing the Loyalty Day Celebration. This is a fitting way to show the citizens of the state their appreciation for the loyalty and devotion of their local government. One of the great dangers of this day is that it may be a time of division and discord. The governor hopes that the citizens will unite in supporting their local government.

Sincerely,

L. D. DICKINSON

Despite One Rebuttal, Thad E. Leland

Again Asks OK for Zoning Revision

Thad E. Leland's ambitions to build a new home in the area of the old school, which was demolished last year, are still in doubt. Leland, who said he would be building a new home in the area, has been granted an extension of the zoning approval.

Suspended hearings are scheduled for a new house at 100 Oak Street, which is near the old school. Leland has been granted an extension of the zoning approval.

The new house will be built on the site of the old school. The site was originally zoned for a school, but it was not built. Leland has been granted an extension of the zoning approval and is expected to begin work soon.
