Rebuilding Task in Line

BY IRVING DEE

Ex-FOOTBALLER's biggest problem will revolve around the tackling of the offensive line. The team has been weakened by the loss of several key players, including the quarterback, who was expected to be the glue that held the offense together. The team's new starting quarterback, Tom Dunlop, has been named to replace the departed star.

**Twice the manpower we've**

**had in years**

Twice the manpower we've had in years, and it will be a challenge to rebuild the offense to the level it was last year. The team is expected to be stronger in the coming season, but the road to success will be long and difficult.
