Safe From War Once Again

Greeting

We wish to endorse the celebration of "Civty Loyalty Day" and voice our best wishes for a very successful accomplishment to those who have made it possible. Good Government will be a better one if it has the interest and support of those to whom it is dedicated. "The People."

AN IMPORTANT STATEMENT FROM A&P ABOUT WAR DAYS AND FOOD PRICES

A&P's policy will remain unchanged—that policy is simply this: A&P will provide good food at the lowest prices possible. As always, we will work to keep costs of materials to a minimum. In the event that increased food prices can bring to countless families, therefore, our prices will be adjusted only to the extent that they are necessarily. If owing to the laws of supply and demand the prices for food we purchase more agreed, obviously, we will have to pay the higher cost and change retail prices accordingly. You have our assurance, however, that A&P's margin of profit will continue to be very small and normal in every respect. Thus—we pledge to our six million loyal customers the best efforts of our wide-spread organization to keep our prices as low as sound business judgment will permit. We report—A&P's policy will be unchanged. Good Foods at the Lowest Possible Prices!
