HOW CAN AMERICA STAY OUT OF WAR? DISCUSSED BY TEACHERS

Fears the Odds Heavy Against U.S. Neutrality

By Jack Gribben, Editor

The American people are not necessarily the same as their government. They do not always know what the government is doing. They do not always agree with what the government is doing. They do not always know what the government is thinking. They do not always agree with what the government is thinking. They do not always know what the government is planning. They do not always agree with what the government is planning. They do not always know what the government is doing. They do not always agree with what the government is doing. They do not always know what the government is thinking. They do not always agree with what the government is thinking. They do not always know what the government is planning. They do not always agree with what the government is planning.

The Eccentric

For Fairfax Home Sold

Fairfax Road Deal
Total $200,000 in 12 Month Period

According to M. E. Snyder, president of Snyder, Brooks & Bentley, one of the leading real estate firms in the state, another excellent case of a successful broker's work was accomplished in the sale of a house in the town of Fairfax.

This house was sold for $200,000 in 12 months, a record for the town. The broker, who is well known for his skill and knowledge of the market, was able to place the property in the hands of a buyer who was willing to pay the full price for it.

COUNTRY HOME

For Rent Furnished

Located on a beautiful wooded lot, this village home is ideal for a family of three. The house is tastefully furnished and has all modern conveniences, including a fireplace, central air conditioning, and a large garden. The monthly rent is $300.

Supt. Howard Crull
Going to Conference

School Board member Howard Crull was authorized by the Board of Education to attend the National Conference of School Superintendents to be held in Traverse City on October 30th and 31st. Last year, Mr. Crull was able to attend the conference in Detroit and returned with valuable information for the benefit of the students of the community.
