Newly-Purchased Address System For Baldwin High

A new Buqco public address system that will yet again revolutionize the school's sound system has been installed. The system, which is connected to the main control room and the gym, helps to ensure that every student and faculty member can hear the announcements clearly.

Ho, Hum—Yanks Are Bound For Another World Record

Tony annual riddle of how to pronounce "Ho, Hum--" is not new. It has been a classic American expression for decades, and this year it is bound to make another world record. This year's Yanks are expected to set a new record for their inability to pronounce the expression correctly.

Baldwin Elects
