

### Safety Patrol Set At Big Beaver

Big Beaver—Twenty-two Safety Patrol boys are ready for duty at Big Beaver school. The road patrol, consisting of ten boys, takes care of road crossings near the school and try to help the students to become more self-minded. The other boys of the group will serve on the playground platoon. Edgar Cooper, a seventh grader, was chosen as captain of the patrol. Lieutenants will be appointed after having proved themselves worthy and capable of the positions.

**Shop News**  
This year students have shown more interest than usual in the general shop classes. The eleventh and twelfth grade boys are beginning their unit of work on mechanical drawing. At present the boys are working on printing.

The eighth grade girls' industrial arts class, as well as the eighth grade boys, have shown special ability for work in printing and poster decoration. The shop room has been equipped with new lumber racks and some project shelves during the summer. The students are looking forward to the installation of some new power tools which will do much toward increasing the shop program this year.

**Football News**  
Twenty-six boys are out for the team this season.

An attempt is being made to schedule a game with Cranbrook for this Friday.

The probable starting line will be: Richard Haney, left end; Harold Stevens, right end; Wilbur Dickson, left tackle; Francis Stewart, right tackle; Ned Dickson, left guard; Duane Cooper, right guard; Clair Dickson, center; Sematroy Losey, quarterback; John Watt, right half; Russell Poff, left half; Stanley Anderson, full back; these are several Scouts from out of town in B-3 this season including Scoutmaster before James Vetter, left, vocal music instructor of Birmingham Public Schools. Another pair of advancements among the senior officers in the new Junior A. S. M., Norman Porter and the new Senior Patrol Leader, John Basso. There are several Scouts from out of town in B-3 this season including Scoutmaster before James Vetter, left, vocal music instructor of Birmingham. B-3 is laying plans for a week-end at Camp George about Oct. 7, and so will be the first or second troop out there this season.

**Camp Schedules Out**  
The camp schedules for this season are out now, and this year let every Scout and Scout troop take advantage of every opportunity to go to camp. It is possibly the most enjoyable of Birmingham. B-3 is laying plans for a week-end at Camp George about Oct. 7, and so will be the first or second troop out there this season.

**Primary News**  
The primary children are beginning work on their toy town. Frank Parsons is making a cardboard house.

Duane Robertson and Franklin Landmesser made some fine pictures of houses. The children are learning several Mother Goose songs—they are coloring pictures of the rainbow bridge and the man in the moon.

**2nd Grade**  
Derrick Mouch, Willard Tietjens, Barbara Hodge, Biglow, Eldon Tietjens and Dolores Donna have been chosen second grade helpers for the week.

Many lovely flowers have been brought to school by Mary Jane Lee, Richard Edwards, Martin Strandberg, Virginia Schumburg.

**3rd Grade**  
Many interesting activities were enjoyed by third graders in connection with the study of Indian life. A bright colored head-band was made by each child. A desire to use the head-dress motivated the following original Indian pantomimes: building a Hogan, preparing and eating a meal, weaving, and preparing skins for use. Attractive Indian drawings developed from a number fun lessons, and many original number story problems were given by individual children. Bonnie Dort, Martha Halsey, Sheldon Haglund, Robert Howe, Joan Pierce, Beatrice Pyle, Barbara Renaud, and Dolores Spanker received 100 per cent on a spelling test of Indian words. The story "Little Indian" by La Rue is being read, a chapter each day by some child. Evelyn Garcock, Sheldon Haglund and Joan Golberg read the first three chapters to the class. Friday each child colored an Indian poster to take home.

Robert Howe won the first spelling bee of the year.

**4th Grade**  
Safe Patrol boys in third grade are Jimmie Dorsey and Sheldon Haglund.

Fourth graders are sorry Jimmie Dorsey is ill. We hope Jimmie will have a speedy recovery.

**5th Grade**  
The children who received 100 per cent in spelling for the week were: Sheldon Haglund, Evelyn Gou, Myrna Cooper, Donald Moonen, John Holland, David Roper, Phillip Strandberg, Marilyn Harlow, Lillian Steinhilf, and Jean Parsons, Walter Miller, Mary Ellen Bush, Raymond Hannaberg, Marguerite Baker, Betty Farr and Margaret Pyle.

Some beautiful flowers were brought to the room by Marilyn Karvel, Marie Smith, Mary Ellen Bush and Leola Blidebrandt.

Marilyn Karvel and Marilyn Stumpf are knitting sweaters. We are studying about the coal and iron industry of the Middle Atlantic states. We had a geography Friday.

We are drawing an oak leaf border as an art project. We are also enrolling in 4th. The late comers are Dolores Walker, Doreen Shaver and Raymond Glove.

**6th and 8th Grade Group**  
We are studying times tables now. Charles Cinsler, Charles Sawyer, Donald Neff, Merion Hardy, Richard Wardell, Lucille Stephens, and Mtna Woolley are working in their tables so far. Reading helpers are Eugene White and Richard Wardell.

Room helpers are Darrell Ball and Richard Worrell.

Don Snyder, Andrew McDaniel and Richard Wardell are on the Safety Patrol.

Rocco Roncone and Gordon Rozes have already conquered

### Tulip Bulbs Offered By Wieland's Shop

With tulip-planting time now at hand, an unusual offer on tulips has been announced by the Wieland Furniture Shop, 547 North Woodwards, details of which may be secured in an advertisement elsewhere in this issue. The store secured the bulbs through an arrangement with a Holland, Mich., manufacturer with which Wieland's does business.

Tulip bulbs should be planted between Oct. and Nov. 1, it was said. They will thrive in any ordinary garden if the soil is in fairly good condition. The bulbs should be planted about four inches deep and about five or six inches apart. Success in keeping away mice, moles and squirrels has been reported through scattering partially crushed moth balls through the surface soil. A light covering of straw will have the bulbs from temperature damage.

### B-3 Advancements

Troop B-3 is starting the Scout year with almost an entirely new set of senior officers. In addition to their new Scoutmaster, A. Edgar Ebersole, who was Assistant Scoutmaster before James Murray moved out of town, there is a new Assistant Scoutmaster, Victor Lieb, vocal music instructor of Birmingham Public Schools. Another pair of advancements among the senior officers in the new Junior A. S. M., Norman Porter and the new Senior Patrol Leader, John Basso. There are several Scouts from out of town in B-3 this season including Scoutmaster before James Vetter, left, vocal music instructor of Birmingham. B-3 is laying plans for a week-end at Camp George about Oct. 7, and so will be the first or second troop out there this season.

### Telephone Co. Lists Rural Improvements

Rural and small community residents of the state were given an inventory today of telephone service improvements which are being probably the most far-reaching program of the kind in the 61-year history of the Michigan Bell Telephone Company. Every section of the territory is affected by the program, which is planned to continue unabated next year.

President George M. Welch announced that the rural expansion program of the company, started in 1937, will produce the following results by the end of this year: 1. Additions of more than \$1,250,000 to the company's rural and small community plant. 2. The erection of 68 new company-owned and leased buildings. 3. 49 per cent of the small exchanges will have been converted from magneto (crank type) telephones to common battery operation. 4. A reduction of about 50 per cent in the maximum number of customers per rural line. 5. A consequent improvement in rural and small community service that will place it on a par in quality with that enjoyed in the largest centers.

### Local Youth Attends Nat'l Electric Parley

Richard Painter, son of Mr. and Mrs. E. F. Painter, of Watkins street, is one of four young men representing the University of Detroit at the national convention of the American Institute of Electrical Engineers being held at the University of Minnesota at Minneapolis this week.

Prof. H. O. Warner, head of the electrical engineering department at the U. of D., accompanied the boys.

### World Adventure Series Revealed

"All Over Mexico," a motion picture lecture by Julius Bryan famous for his documentary motion pictures and lectures on foreign countries, has been selected as the opening attraction of the fall season of the World Adventure Series. The lecture will be given Sunday afternoon Oct. 8 at 3:30. At 9:30 the same evening, Mr. Bryan will speak on "More About Mexico."

Every Sunday afternoon at 3:30 at the Detroit Institute of Arts, world celebrities will present informative and entertaining lectures on popular subjects related to travel, adventure, science and exploration. Following Mr. Bryan, these speakers and subjects will be presented on consecutive Sunday afternoons in the order here given: Capt. Dwight Long, "Sailing Around the World in a 32-Foot Ketch"; Dr. Albert My Business, "How to Discover and Develop Them"; John C. Monteith, "Sun and Sea"; "The Coming Struggle for Latin America"; Gutzon Borglum, "Great Stone Faces"; Count Bernard de Colmont, "Down the Colorado River with a Color Camera"; an "By Motor Through England, Scotland and Wales"; Bronson De Cou, "Through Belgium and to Pictorial Holland in Tulip Time"; Capt. John D. Craig, "Danger is My Business."

### Great Lakes College Offers Evening Work

In addition to the regular day classes in the Liberal Arts and Business Administration Departments of Great Lakes College, the registrar announces the following courses which will be given evenings this semester at the college: Woodward and Nine Mile Road; College algebra, chemistry (inorganic), blue print reading and drawing, engineering materials, English grammar (advanced), nation, economics, shorthand, type-writing, accounting, French, political science, history, philosophy, social anthropology, biology, logic, elements of journalism, abnormal psychology and Mental Hygiene.

Other courses will be given if the demand warrants. Individuals interested in these courses for credit or non-credit, or in other courses not mentioned here are requested to communicate with the Registrar, Great Lakes College, Ferndale, or phone Royal Oak 4012. A Bulletin of Information will be sent on request. Evening classes began Sept. 25. Try an Eccentric Classified Ad for quick results.

### 'Session in Swing' Held in Auditorium

A Session in Swing is the rhythmic class to be conducted by Bob Kendall and the newly organized Sultans of Swing in Baldwin high school auditorium today from 10:30 to 11:00 a. m.

The quartet on the saxophones is "Duck" Campbell, "Moppy" Cornell, Johnny Parent, and "Scotty" Welch; the two on the trumpets is Ed Platt and Jimmy Stephen, and the members of the rhythm section are Gordon Elis, piano; Clark Pardee, drums; and Bob Kendall, bass.

One of the highlights promised is an original composition entitled, "Big Noise from Birmingham," featuring Clark Pardee on the drums and Bob Kendall on the bass.

The purpose is to give the students an inkling of what is in store for them at the Fall Cotillion this Saturday evening.

### Unlled Youth Plans Open House Oct. 7

Annual Open House for Allied Youth and their friends will be held at the downtown Y. W. C. A., Saturday, Oct. 7, from 9:00 p. m. to 12:00 p. m. It will be something new and something different. Each Post will have a commission, and for the most unique and most popular there will be an award.

As an added attraction there will be dancing. A real welcome will be extended to all interested in the organization and in what it stands. There will be no charge.

"Why I'm surprised to see you here. Why did you leave Boston?" "I just came down for a few days to read a book."

**WINGS for WORDS**  
Distance... once a barrier to spoken words... has lost its power to limit the human voice. Today words defy the intervening miles, and two friends with an ocean or a continent between them talk as if face to face. In thus extending the range of man's voice, the telephone performs a modern miracle. It is part of the miracle that this is done so swiftly, so easily and so cheaply.
