CORYELL

(Continued from Page One)
in a shaped formation with the leading pilot and an observer at the head of the V...

In approaching the assigned target the leading pilot would fly either up wind or down wind to limit the error caused by cross winds and to guide the pilot...

The bombs would drop nearly three miles, gaining speed until a final explosion 1,000 feet a second was reached...

The bombs would drop nearly three miles, gaining speed until a final explosion 1,000 feet a second was reached...

Stopped Day Raids
The German air force operated near us for England, although it had quite a number of successes...

When we were without pursuit protection we furnished our own protection against enemy planes...

Planes Bulwark Fleet
There has been much talk of a two-ocean navy for national defense...

NOVICES
(Continued from Page One)
Woodward and Willis, across from The Eccentric office...

What Stukas Are Used
In this war Germans have used the Stukas, or dive bombers...

The long distance bombing, such as is practiced in England, seems to revert to the squadron mass bombing procedure...

Except for one or two, all of these are purely amateurs in politics, but they are clanking all over themselves to work...

THIS AND THAT
(Continued from Page One)
Frisson remains, these are the chains nothing can break...

Preview of Fall School Fashions

At first a smart dress that will give little skirt some idea of what her first fall school dress may be like...

Certainly as long as English aviation is active the efforts to invade England will run into great difficulty...

Some people will say, "This is all very interesting, but how does it affect the United States?"...

Work, Work, Work!
(Continued from Page One)
Her work today, Mrs. Tugman explains, is in the section of Truly American Art...

Work, Work, Work!
Time goes headlessly on and she works unceasingly finding little time for the mundane in life...

Work, Work, Work!
Mrs. Tugman told me all of this that I might in some measure appreciate the mixed emotions which are pulling her asunder...

Work, Work, Work!
When she first began she worked frantically along industrial art lines designing, sketching, working in wax...

Work, Work, Work!
And then she fell in love and was married. New Life...

Work, Work, Work!
Particularly interesting to me was a black and white that he dated some eight or nine years ago...

Work, Work, Work!
The inspiration for this piece of work, Mrs. Tugman's only explanation is that she drew what her mind dictated...

Work, Work, Work!
More and more her work began to take sculptural lines, her figures became more solid and assumed a certain massive quality...

Work, Work, Work!
This and that, these are the chains nothing can break. If England means as much to you as England means to me...
