

New Recreation Program Starts

The recreation program sponsored by the recreational committee of the P-T-A. council, began in earnest last Saturday at Pierce, Adams, and Barnum Schools. This program, which is open to all boys in the fourth, fifth, and sixth grades, is under the direction of E. T. Engel, director of athletics in the elementary schools. Mr. Engel is being assisted by several older boys.

In the first meeting, held last Saturday, general registration took place. In the future there will be basketball teams and other organized games and sports, it has been announced.

Those on the recreational committee of the council are Mrs. J. Rowland Quinn, Holy Name, chairman; Mrs. William E. Esery, Baldwin; Mrs. A. W. Thomsen, Adams; Donald K. Plumstead, Barnum; and Mrs. J. R. Reynolds, Pierce.

The City Commission has granted the P-T-A. council to erect a concession booth on the shores of the skating rink at Quanton Lake. Hot drinks and other food refreshments will be sold there, it has been announced.

Ship Carries Load Of Michigan Potatoes

LANSING—In the early morning hours on Thursday, November 28, a lake steamer, the S. S. Saginaw, lifted anchor at Houghton, Michigan, loaded with 75,000 bushels of Michigan potatoes, the largest single shipment of potatoes in Michigan's history. This was the ship's last southbound trip of the 1946 season, and it was bound for Cleveland, Ohio to be tied up for the winter months, where it will be used as a warehouse for the distribution of its cargo throughout Cleveland and Ohio.

Exceedingly So
Applicant—You advertised for a careful chauffeur?
Motorist—I did. Are you one?
Applicant—You bet. I should require my pay in advance.

Doubtful Phrase

Singer—Did you note how well my voice filled the great hall?
Friend—Yes, people were kind enough to leave, so as to make room for it.
