

Finnish Consul To Address Club Here Next Tuesday

George Heidemann, representative of the Finnish Government in Detroit, will address the Exchange Club in its meeting next Tuesday night...

Bowling Scores

Table with columns for League, Name, and Score. Includes House League, Junior House League, and Merchants League.

Services Held Here for Family of 3 Dead Since Jan. 27

Joint funeral services were held at the W. O. Wille Bill Funeral Home Monday afternoon at 2 o'clock for Mrs. Jean McCallough Owen, Elliott E. Owen and Mrs. Mary Elliott Owen...

Ladd's Team Stars In Times Tourney

Ladd's team of Birmingham took the spotlight in Detroit last week by winning the Class B head of the nation tournament...

Cigarettes, Candy and Gum Loot of Thief

Police believe a youthful thief is responsible for the theft in the store at 1416 1/2 and Pierce street, discovered early last Sunday morning...

SLOSSON

(Continued from Page One) all possible discontent. There is a good chance for an internal uprising even today if the Russian masses knew as much of the Russo-Finnish war as the average American does...

REQUIN advertisement for a new electric teakettle with features like 'It's certainly surprising how fast it heats water!' and 'It does save time and I like it because it's so spotlessly clean.'

General Idea in Mexico In these rather brief articles I shall not attempt to describe the architecture of Mexico. The technical details and descriptions are out of my line...

THIS AND THAT

(Continued from Page One) upon the old bed of Lake Texcoco Mexico is still an Indian land. It is owned by one family, a Christian family brought to Mexico by the Spaniards...

There is also much amusement and entertainment in Mexico. The picture industry has a long and more or more American pictures are shown just as in Michigan, with Spanish titles and Mexican audiences informed of the plot movement...

THE B.A.

(Continued from Page One) by Duke Dewell and Lillian Hagaman, and they, too, did a good job. It is often the case that amateur players are young; too young to handle roles calling for mature insight...

Technically, the bat was no easy play to put on and do right. Fast action, and various sound and light effects which had to be timed to the split second called for backstage activity which was a real challenge to the staff...

POLICE

(Continued from Page One) Emmett and Bell hope he stays out of Birmingham, but if he should return in either mad adventure, they are determined to pursue him just as relentlessly...

On Rochester Road The thief continued with the Rochester road, with Emmett and Bell close behind. He was the most daring driver I have seen in Birmingham...

Little Fish Is Fatal ROGERS CITY (M.P.A.)—Two thousand ice states have reported how a big fish found a little fish to be a fatal mouthful. When a 20-inch mink fish was caught...

LAND SALE

(Continued from Page One) week's meeting of the City Commission on whether the City will accede to the request of two real estate companies to withhold certain lots from the sale for one year...

Set. Hawkins is attached to the 17th Pursuit Squadron at Selma, Ala. Bloomfield Hills police said the automobile in which the two men were killed, was destroyed on a curve, left the road and crashed into a tree before overturning...

Set. Hawkins is attached to the 17th Pursuit Squadron at Selma, Ala. Bloomfield Hills police said the automobile in which the two men were killed, was destroyed on a curve, left the road and crashed into a tree before overturning...
