"THAT 279 batting average of his isn't worrying me," says Leo Durocher, Dodger manager. Hie's a bright kid and learns amazingly fast, I look for him to make the big Jump wittout fall falls at all. And from what I've seen of his fielding he's going to keep me on the bench for a long time."

But Reese isn't the only young-ster with a chance of making the grade in a big way.

To some people, this spruce and sprightly Buick special may be just one of those ambitions they hope some day to achieve.

But if you ask owners-especially those who stepped up to Buick from the lowest-price field— you'll find it's really an eye-opener to a new and sounder slant on automobile buying.

Actually, the money difference between lesser cars and this nimble traveler is smaller than most people think. And when you've driven a Buick a while you find that spending these few extra dollars is really the soundest kind of economy. They buy more power. They buy more room. They buy the matchless comfort of all-coil springing and the welcome feeling of having come up in the world.

They also buy more automobile: A bigger, solider, more durable frame. A husky, time-defying chassis. Top-grade materials, superfine precision, "on the money" eraftsmanship, things that make the difference between an adequate car and a good one.

You get your money back in tangible things, such as engines balanced after assembly, wider outlook through Safety Plate Glass only, some six dozen features from automatic choke to the Flash-Way Direction Signal with automatic cut-off.

Every mile you drive you'll see how you profit by spending enough to get something really good.

And what you spend, as you'll see
