HORSE SHOW

(Continued from Page One)

difficult for the string of horses shown Wednesday evening, the animals seemed to enjoy the downpour that allowed them to keep cool as they performed. It was only the riders, the women especially, who looked unhappy as they circled the ring, drenched to the skin and with their hair, streaming and dripping.

Only in the stables did life go on as usual. Here the hands lotted lazily, stretched carelessly, comfortably on folding chairs, enjoying the lull before the horses came back and they would once again join the working classes.

The show will continue through Sunday with shows scheduled to be run off Thursday afternoon and evening, Friday afternoon and evening, Saturday morning, afternoon and evening and Sunday afternoon.

The afternoon shows begin at 1:30 and the evening shows at 8 o'clock. The junior classes will be shown Saturday morning at 10 o'clock.

Says Recruit Goal Will Be Achieved

For the second consecutive week the Sixth Corps Area comprising Illinois, Michigan and Wisconsin is running second in a field of nine in the Regular Army's current recruiting campaign. It was revealed today by Lt. Gen. Stanley H. Ford, commanding the Sixth Corps Area and Second Army.

Figures announced by the War Department showed 374 young men, during the last two weeks, enlisted. The quota for the corps area for the month is approximately 1,500 so that with the progress already registered recruiting officers expressed confidence no difficulty would be encountered in attaining the goal in the corps area.

Bill says his wife has a peculiar eye. She can spot a blonde hair on his coat at ten paces, but she can't see a pair of garage doors.—Exchange.

WED 65 YEARS

(Continued from Page One)

Nortons moved to Detroit in 1885 where they were in the grocery business for 25 years.

"In those days you really worked," Mrs. Norton recalled. "Mr. Norton went to the market each morning at 6 o'clock and the store was open each week day until 9:30 p. m. And we worked Saturdays until noon."

Mr. and Mrs. Norton have lived in Birmingham in the same home they now occupy, for 26 years. With them lives their daughter, Mrs. Agnes Black.

The Nortons have two grandchildren both in Birmingham, Frederick H. Kemp and Mrs. Park Smith. There are three great grandchildren: Barbara Ruth Smith, and Marilyn Elizabeth Kemp.

In elaborating on their having lived together for 65 years, Mrs. Norton says it is ridiculous to imagine that married couples can live together without ever quarreling. Something is always coming up she says. "But remember that"

Have You Met?

Mr. and Mrs. A. B. Hulaspalle, who have bought a new home at 237 Fairfax road? They moved from Pontiac about two weeks ago because, as Mrs. Hulaspalle said this week, "it was cool and quiet and closer to my husband's business in Detroit."

Mr. Hulaspalle is secretary of the National Twist Drill company, with offices on Grand boulevard. They have a daughter, June.

LADY FINDS LOST GEM JONESVILLE (MPA)—While attending a party one night, Mrs. William Danhausen discovered that a diamond of carat size, was missing from her engagement ring. An extensive search was fruitless. The next day a Motherly couple found it in the gutter when they parked their car in Jonesville, and returned it.

First commercial production of oil in Michigan was at Fort Huron about 1886. The wells obtained their yield from the Dundee limestone, depths of from 600 to 800 feet and the maximum reported production was about 70 barrels per well per week.

The EXTRA pennies you save here, there, everywhere throughout our market are like interest added to a savings account. Our method of operation assures them to you. We buy many goods direct, eliminating in-between profits, and we pass the savings along to you!
